## Which diploma is right for you?

Our diplomas are designed in collaboration with UTS, so you will experience first year university from day one. They're also ideal if you don't meet the academic or English language requirements for entry into a UTS degree straight away.

Diplomas guarantee\* entry to your UTS undergraduate degree with many diplomas fast-tracking you to the second year of your UTS degree\*\*. Choose from Diplomas in Business, Communication, Design & Architecture, Engineering, IT or Science.

## Entry requirements for UTS College

Minimum HSC subject average\*\* of:

- 75% = 8 month diploma
- 67% = 12 month diploma
- 63% = 16 month diploma

## Your path to UTS

^^HSC Subject average is based on English plus the best 6 units of board developed courses (3 subjects).

^The point where you enter the UTS degree will depend on your chosen major. Not all majors will take you into second year. Credit points apply to other majors.

\*Based on successful completion of your diploma with the required Grade Point Average (GPA) for the program you choose at UTS. Please refer to our website for more information.

## Study support whenever you need it

- Study success sessions, workshops and peer support to learn how to manage your time and study load, assignment and exam preparation, and how to get the most out of your classes.
- Regular face-to-face and online support sessions and online resources for assignments and presentations
- 24 hours, 7 days a week study support with writing feedback for assignments and help from Study Specialists with any of your subjects
- Ongoing face-to-face and online academic support with dedicated Study Success Advisers to ensure you meet your program requirements and stay on track.
- Small in class size with no more than 20 students per class, allowing for more personalised support.

## A better way to learn

At UTS College, you'll get the best of both worlds with a mix of face-to-face classes on-campus, and guided, engaging and interactive online learning activities. This gives you more flexibility and time for your studies.
