

## Student Residential Accommodation and Welfare Policy

### POLICY PURPOSE

International students may wish to stay in Student Residential Accommodation managed by a UTS College approved external provider, as an alternative to Homestay, during their studies at UTS College.

The policy ensures that UTS College meets all necessary welfare and accommodation regulatory and legislative requirements for all students, in particular, those under 18 years of age.

### SCOPE

This policy applies to all students who:

- Wish to stay with a UTS College approved Student Residential Accommodation Provider during their studies.

This policy also applies to UTS Direct Students under the age of 18, where UTS requests UTS College to provide the accommodation and welfare arrangements on behalf of UTS.

It does not apply to students undertaking UTS College or UTS courses transnationally.

This policy applies to any staff member involved in the process of administration, selection, allocation and approval of accommodation and welfare arrangements.
