Overview

This article provides information on how to log into the Canvas Mobile App on your mobile device.

Prerequisites

In order to follow this article you must have:

- Activated your UTS Email
- Have access to a mobile device

Procedure

1. Search for "Canvas Student" in your app store/google play store.

2. Click the **Find my school** button.

3. Type in "**UTS College**" and select "UTS College – Students" option.
