UTS Insearch

UNIVERSITY OF TECHNOLOGY SYDNEY

International Student Guide 2019 – 2020

insearch.edu.au

Welcome to UTS Insearch

"As the pathway to UTS, we help you to develop the knowledge, experience and skills to succeed at university and beyond. We work in collaboration with UTS to ensure your studies prepare you for your next step at university. You can start on your journey today – we will be there with you, helping you to succeed and thrive."

Alex Murphy
Managing Director
UTS Insearch

"The vision of UTS is to be an inclusive and public university of technology. Our purpose is to prepare and support students such as you to succeed in the workforce, driving innovation and entrepreneurship and delivering impactful research. We look forward to welcoming you to UTS Insearch and UTS."

Professor Attila Brungs
Vice-Chancellor and President
University of Technology Sydney

Contents

About the University of Technology Sydney

The University of Technology Sydney (UTS) offers international, innovative and industry-relevant education in the heart of the global city of Sydney.

About UTS

Why choose UTS?

The University of Technology Sydney (UTS) takes a global approach to education that has innovation at its core. What's more, UTS is a university for the real world. All courses are closely aligned with industry needs, so what you will learn with us will prepare you for your future career.

Campus of the future

UTS has invested $1.3 billion in creating a dynamic and interconnected campus of the future, with award-winning buildings, state-of-the-art facilities and sustainable design. We've got tech-driven, purpose-built spaces that'll inspire you to learn, as well as spaces for industry collaboration. When you're not in class, take advantage of the many student spaces, relax on the Alumni Green and enjoy the central location. UTS is close to Sydney's CBD, walking distance to Central Station, and just a few steps away from places to shop, eat and socialise.

Practice-oriented education

UTS is committed to hands-on practical learning — theory is great, but applying what you know is crucial to your success. Major projects, group work and real-life case studies are key to this practice-based approach, giving you the skills you need to impress future employers. UTS academics are experts in their professional fields. They'll enhance your learning experience with access to the most current industry practices and networks.

Our students come first

Life in a new city can be challenging. That's why UTS provides services — many of which are free — to help you along the way. Student services include: English language support, study support, career development, confidential medical and counselling services, peer networking and support, and housing support. You can also join sports organisations and utilise the facilities.

Connections that count

Learning doesn't happen in isolation. In fact, at UTS learning is supported by strong relationships with industry. All UTS faculties are led by industry advisory boards, and course content is developed in close collaboration with industry partners. UTS courses offer extensive practical components — think major projects, group work and real-life case studies — that give you the chance to apply your theoretical learning in a real-world context. Many courses are also accredited by professional associations so, when you graduate, your degree will be recognised across your chosen sector.

Research that counts

At UTS, research addresses the big questions. UTS has a growing reputation for future-focused research in emerging disciplines, centred around five theme areas: health, data science, sustainability, future work and industry, and social futures. From questions of technological disruption to the future of health care, big data and new ways of working, UTS is delivering real solutions to the challenges of today and tomorrow. We're collaborative too. The university works closely with industry and academic partners across the globe to drive meaningful change in the world.

More than just a job

Ready for the world of work? The UTS Careers Service is here to help. Free careers consultations, résumé reviews and employment workshops have all been designed to enhance your employment prospects. You can also access student job boards, industry career fairs and international alumni networks. But don't stop there: gain leadership skills through the UTS BUILD program, or participate in one of the many volunteering opportunities at UTS.

More than 150 industry partners shape UTS's course content and provide internships, scholarships and resources.

About
UTS Insearch
Whether you're looking for a guaranteed* place in a UTS degree, or need to improve your English for university — we can help.

At UTS Insearch, you'll benefit from a combination of ongoing academic support, small class sizes and practical learning, designed to help you realise your full potential and give you the confidence to succeed at UTS.

Reasons to choose UTS Insearch

Guaranteed entry to UTS

Study at UTS Insearch and when you successfully complete your studies, you'll receive guaranteed* entry to the corresponding UTS undergraduate degree. In fact, most of our diplomas will take you straight into the second year of your UTS degree. Choose from diplomas in the areas of Business, Communication, Design & Architecture, Engineering, Information Technology or Science.

Big in support. Small in size

As an international student adjusting to a new education system, we want you to thrive while studying with us. That's why we've designed a robust framework of support services tailored specifically to meet the needs of every student.

Support services are freely accessible to all UTS Insearch students, and include our Learning Support Program, one-on-one tutorials, study skills workshops, full-time dedicated Study Success Advisers, peer-to-peer mentors and more.

Plus, our classes are kept small. With no more than 20 students in a tutorial, you will benefit from a personalised learning experience.

Part of UTS

Our diploma courses are designed in collaboration with UTS. This means the educational outcomes for diploma students are the same as for first year students studying a UTS undergraduate degree. So, you're getting the same world-class university standards right from day one of your studies.

All academic students have access to world-class facilities at UTS, including the library, 24-hour computer labs and over one hundred clubs and associations.

*Based on completion of a diploma with no more than two subject failures or completion of the UTS Foundation Studies course with the required GPA score.

A better way to learn

At UTS Insearch we don't just teach you course subjects; our teaching model focuses on life-long learning skills. This means small classes, formative assessments, more face-to-face hours and an emphasis on collaboration in and outside of the classroom. So, you can evolve and adapt to challenges and opportunities not just for today, but in the future.

Latest technology and facilities

You'll have access to high-tech lecture theatres and classrooms, an English Language Centre and purpose-built computer labs. More than 600 computers are designated for diploma students and more than 100 for English Language students. Our campus also features a welcoming Student Centre, free high-speed campus WiFi, contemporary student lounges, kitchens and prayer rooms.

Explore your leadership strengths

Our Leadership Program gives you real-world, career-ready skills early on in your studies. A series of practical masterclasses carefully crafted by industry leaders and subject matter experts are delivered in a fun and interactive learning environment. With work experience placements to be won, it's a great way to test drive your career.

International locations

To help you access our high quality programs closer to home, we have formed partnerships in six countries outside Australia to offer our English and Diploma programs. Visit pages 82-83 to find out more.

Welcome to Sydney

Expand your horizons in the heart of Sydney with a global education

One of the best student cities in the world[i]

Imagine waking up in Australia's most vibrant, diverse and beautiful city. Welcome to Sydney — the nation's cultural centre and business capital.

When you choose to study at UTS Insearch, you're choosing a university that's located in the heart of Sydney, surrounded by some of the world's biggest, most successful and innovative companies. These organisations create hundreds of graduate employment opportunities each year.

But there's so much more to Sydney than its thriving business and commercial centre.

A safe and friendly city

Sydney's reputation as a safe and friendly city is one of the reasons why 35,000 international students[ii] choose to make it their home-away-from-home. As you settle into student life, you'll become part of the supportive multicultural community that exists throughout the city. You will quickly fall in love with the friendly buzz found in local cafes, galleries and shops. With new friends and a supportive network around you, your transition to life in Australia will be a rewarding and exciting adventure.

Explore the natural wonders Sydney has to offer

When you call Sydney home, you'll enjoy the natural and cultural wonders that people all over the world only dream about. There's so much to see and do when you're not studying, like visiting the beautiful beaches and exploring the nearby national parks. The frequent sunshine also brings the city's sights to life. Sydney's central business district (CBD) has an excellent public transport network, so you can easily and safely explore this thriving city. And when you need to travel interstate or overseas, you are close to Australia's biggest international and domestic airports.

Convenient, inspiring, fun

You'll love being close to everything you need. Not only will you be studying in the UTS precinct in the centre of Sydney, you'll be near major transport hubs too. From convenient public transport to cafes, shops, galleries, theatres and nightlife, you'll find everything you need for your study and leisure.

Studying at a campus that is truly connected to an international city, with industry and innovation on our doorstep, is a great advantage. Being in Sydney's creative precinct means there are entrepreneurs and start-ups bursting with energy, new opportunities and inspired ways of thinking all around.

As you explore Sydney and the local region, you'll discover many social activities, sports, arts and culture. From breakfast at Bondi Beach to an evening selfie on the steps of the Sydney Opera House, you'll create many unforgettable moments in this beautiful city.

Come and enjoy the adventure.

Student support services and facilities

Message from the Study Success Adviser Team Leader

"Starting the journey of your university education at UTS Insearch marks a new chapter in your life. It is exciting, empowering and at the same time challenging. All of these experiences will equip and enhance your life after university.

Study Success Advisers are your helping hands during this journey. We can assist you by providing advice, support and referral services to help you stay on track and progress in your studies."

Zoe Wang
Study Success Adviser Team Leader
BA Information and Library Science (Wuhan University),
Grad Dip Information Technology (Swinburne),
Grad Dip Secondary Teaching (Monash) M Ed (Sheffield University)

Learning support

Study success sessions

During Orientation and Academic Preparation week, you will attend study success workshops. In these workshops, you learn how to manage your time and get the most out of your lectures and tutorials.

Higher Education Language and Presentation Support (HELPS) Centre

With free weekly one-on-one learning support sessions for English Language students, you'll feel better prepared for your assessments and exams. The HELPS Centre also runs activities such as:

- Speaking groups
- Short film discussion groups
- Learning assistance sessions
- Teaching support

One-on-one learning tutors

We offer free weekly one-on-one learning support sessions in both Academic Writing and Mathematics, which will help to prepare you for assessments and exams.

Subject Coordinator consultation

If you have problems with a specific subject, our Subject Coordinators can assist you during weekly drop-in sessions, or online.

Study skills workshops

During the semester we offer free weekly academic study skills workshops, which will help you to manage your study load, understand how to write your assessments and prepare for your exams.

Peer support in the classroom

Selected peer helpers work closely with the classroom teacher to provide you with additional support. Peer helpers may assist with group activities and help you to understand what is required to pass assignments.

Peer mentoring

We understand that moving overseas to study can feel daunting. Our International Student Mentoring Program (ISMP) is in place to empower you to stay academically motivated, whilst making the most of your time in Sydney.

Our student peer mentors will help you to settle into your program, understand the culture and make new friends.

Ongoing academic support

Dedicated Study Success Advisers

Study Success Advisers can offer you support and advice on your studies, so you know what you need to do to meet your course requirements and stay on track. If you have any difficulties that may affect your studies, ask your Study Success Adviser for help.

Welfare and accommodation support

We have a team in place that can offer you support and advice on accommodation matters. If you're looking for a Homestay host or an accommodation provider, our team can help you.

Counselling services

If you ever need to talk to someone about academic progress, study, finance or personal problems, UTS offers confidential counselling. A counsellor is also on campus each week, which means you can have private conversations if you need some help.

Other services

Security

Your safety and security is our priority. We provide security in all our buildings to offer immediate help if you ever need it.

Prayer rooms

You can worship in privacy on campus at our dedicated multi-faith prayer rooms.

Health services

You can access health and medical assistance at the UTS Health Service.

Student Centre

If you need help with general enquiries, you can visit the Student Centre. We can assist you with confirmation of enrolment, public transport information, certificates and transcripts, updating your contact details, paying your fees, accommodation assistance and visa enquiries.

Facilities

Experience the latest technology

You'll have access to up-to-date student computer labs and high-speed wireless internet throughout the campus.

You can enjoy studying in modern buildings that house cutting-edge facilities, labs and working spaces designed for collaboration and effective learning.

Access a world-class library

As an academic student, you can use the UTS library, which has thousands of online and physical resources just waiting for you. In fact, the innovative robotic Library Retrieval System provides access to more than 900,000 books, so you can find information and resources quickly and easily.

Student activities

Make new friends for life and thrive in a new social scene

Activities Club

You'll love our free Activities Club and will find it a fun way to make new friends. Get involved in exciting activities, such as movie nights, barbecues, sports competitions, music, excursions and more.

When you join the Activities Club, you become part of a community that improves the wellbeing of students. Together, we celebrate success, encourage learning and creating new friendships within a community that's connected by similar interests. It will be a highlight of your time here!

University clubs with ActivateUTS

Enjoy photography, languages, sport, raising money for charity or helping the environment? ActivateUTS has something for everyone. There are hundreds of social clubs, events and sporting activities you can join with other students from across the university. What activities would you like to try?

To find out more, please visit **activateuts.com.au**

Volunteering

Giving back is rewarding. You can be a student volunteer and become part of the valuable team that helps new students settle in. Your efforts really do make a positive difference to students and help to make their arrival smoother. You'll make new friendships — and build connections — that last a lifetime. Volunteers participate in a great training program, and you gain experience that helps you in your professional life after university.

Student Advisory Committee

We have a designated Student Advisory Committee for each of our courses. The committee meets with our Program Managers and academics on a regular basis to discuss topics such as current policies, procedures and recommendations to improve the student experience. The committee enables you to have a voice in your education.

Rewarding academic excellence

We are committed to supporting students and rewarding academic excellence.

Rewarding academic excellence

International student scholarships

Helping students to succeed is at the heart of everything we do. You should be rewarded for your hard work and dedication when you achieve excellent academic results. That's why we offer special scholarships to our top international students.

Some of the scholarships on offer include:

Dianne Leckie Memorial Scholarship

The Dianne Leckie Memorial Scholarship is awarded annually to an outstanding international student. Eligible students must have completed the UTS Insearch Diploma of Business and enrolled in the Bachelor of Business at UTS. The Dianne Leckie Memorial Scholarship is awarded to students who have shown exceptional academic achievement and personal qualities, and covers two years tuition in the UTS Bachelor of Business program along with overseas health cover and other benefits. The scholarship value is more than A$50,000.

The scholarship is in memory of Dianne Leckie, who served on the Insearch Limited Board and UTS Council. It celebrates her commitment to higher education.

UTS Insearch to UTS Pathway Scholarship

This scholarship has been designed to support high achieving international students who are currently studying a diploma at UTS Insearch, and wish to continue at UTS. The scholarship is awarded twice a year to international students who have achieved high academic success and show motivation to succeed.

Prizes

As well as awarding scholarships to our high achievers, we love to celebrate them as well! Prizes are awarded to students studying UTS Insearch diplomas and the UTS Foundation Studies program.

More than $200,000 in prizes is awarded each year.

Dean's Merit and Outstanding Graduate Prizes

Each semester, we celebrate success with the Dean's Merit Prize. This prize is awarded to students who achieve the highest Grade Point Average (GPA) in the first semester for each course. To be considered for this prize, you must be studying a diploma program or UTS Foundation Studies.

The Outstanding Graduate Prize is awarded to the students who achieve the highest GPA overall at the end of their course.

For more information about our scholarships and prizes, please visit

insearch.edu.au/scholarships

"Knowing how proud my parents are of my achievement is the greatest feeling! I've since invested my prize into a life long dream of mine – to become a Lab Scientist and work in medical research."

Amshuma Rayamajhi,
Diploma of Science student and
UTS Insearch Outstanding Graduate Prize winner and
UTS Insearch to UTS Pathways Scholarship recipient.

Leadership Program

Leaders aren't born. Leaders are made.

Get ahead of the competition by gaining career-ready skills and an opportunity to win a work experience placement.

Leadership Program

The Leadership Program is carefully crafted to give you the opportunity to gain real-world, career-ready skills early on in your studies.

We've collaborated with industry leaders and subject matter experts to ensure you walk away with the competitive advantage you need for success. It'll help you transition from education to career; in Australia or across the globe.

The program is a series of practical masterclasses that deliver a fun and interactive learning experience. You'll develop self-confidence and practical skills that can be put into practice immediately; in your personal life, studies and then in your future career.

There are giveaways and an exciting competition with work experience placements to be won - a great way to test drive the career of your dreams. Plus, you could be awarded the prestigious title; Leadership Program 'Student of the Year' and win a career package valued at A$5,000[iii]. An amazing achievement to highlight on your résumé. Will it be you?

To apply or for more information, please visit **insearch.edu.au/leadership**

> "The Leadership Program is such a great experience! I learnt a lot in the masterclasses and I've now found a way to promote myself to future employers."

Thuy Quynh Luu,
Diploma of Business student
Leadership Program Work Experience Prize winner

Introduction to our courses

Message from our Dean of Studies

"The transition from high school to university is a major step in your life. We focus on making that transition an enabling experience for you. Our educational programs not only build your capabilities, but help to develop your confidence and equip you with the skills to really achieve your goals at university."

Tim Laurence
Dean of Studies

English Language Programs

Studying English with UTS Insearch means that you will be studying with one of the top English providers in Australia. We have more than 30 years' experience in delivering quality English programs to international students.

We offer

- General English (Levels GE1-3)
- Academic English (Levels AE1-5)

So, no matter what level of English you have, we have the English program for you.

UTS Foundation Studies

This program is delivered by UTS Insearch on behalf of UTS and is specifically for international students who have completed their year 11 studies. The program enables you to develop your English language proficiency, and develop broad knowledge and skill sets to become a well-rounded and confident graduate, ready to study at university.

Completing the UTS Foundation Studies program opens doors to a wide range of study options and career choices and, for successful students, articulation into the UTS Insearch diploma programs and most undergraduate degrees at UTS.

Diploma Programs

All six UTS Insearch diplomas are offered over 2 semesters (Accelerated), 3 semesters (Standard) and 4 semesters (Extended).

We offer diplomas across six exciting disciplines, all designed in consultation with the corresponding UTS faculties. Whether your study interest is Business, Communication, Design & Architecture, Engineering, IT or Science, our diplomas are the perfect preparation course for a UTS undergraduate degree.

The benefits of each are:
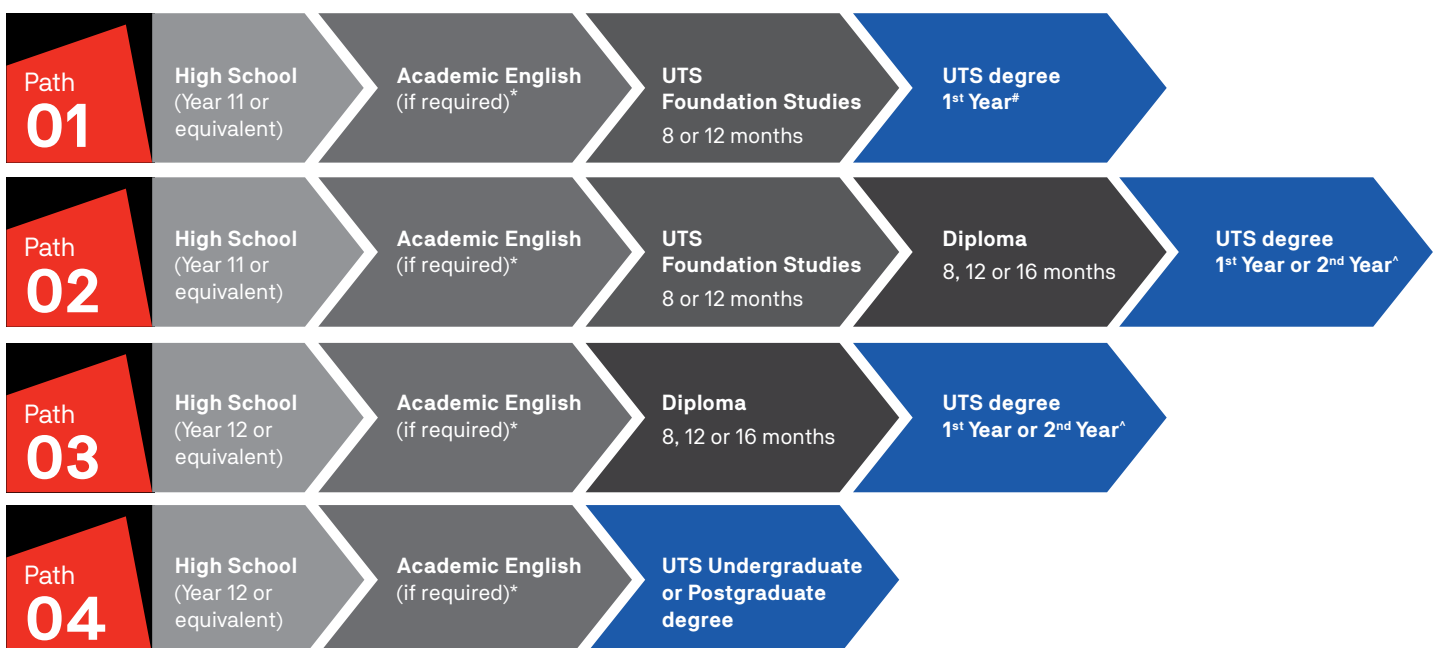

Accelerated (8 months)

- This program is the fastest way to get into a UTS degree. However, the intense workload means that it will not be suitable for everyone.
- You will study the same content as first-year UTS students.

Standard (12 months)

- You will study the same content as the Accelerated program but the work will be paced out over 12 months.
- As this diploma is set over 12 months, it allows you more time to perfect your academic studies while adjusting to Australian education expectations.
- You will study the same content as first-year UTS students.

Extended (16 months)

- The workload in the first semester has been set at the right pace for you. You will have enough time to study hard and do well in your subjects, while settling into a new Australian home.
- You will study the same content as first-year UTS students, but in the first semester of this diploma, you will also undertake Academic English and a range of subjects designed to prepare you to succeed as you progress through your studies.

Path 01	High School (Year 11 or equivalent)	Academic English (if required)*	UTS Foundation Studies 8 or 12 months	UTS degree 1st Year#	
Path 02	High School (Year 11 or equivalent)	Academic English (if required)*	UTS Foundation Studies 8 or 12 months	Diploma 8, 12 or 16 months	UTS degree 1st Year or 2nd Year^
Path 03	High School (Year 12 or equivalent)	Academic English (if required)*	Diploma 8, 12 or 16 months	UTS degree 1st Year or 2nd Year^	
Path 04	High School (Year 12 or equivalent)	Academic English (if required)*	UTS Undergraduate or Postgraduate degree		

*You will only be required to enter a UTS Insearch Academic English program if you do not meet the English language entry requirements.

#This pathway is only available if you achieve the required Grade Point Average (GPA).

^The point where you enter into your UTS degree will depend on your major and is based on no more than two subject failures. Not all majors will take you into second year. Please refer to the individual course pages in this guide for full credit point details.

English Programs

Learning English can open new horizons you never before thought possible. You'll develop confidence in any academic, social or professional situation; from asking questions in class to sharing a conversation with Australian friends or preparing for your first job interview.

English Programs

Message from the Director of Studies ELT

"Our English Language pathway courses will provide you with the skills and knowledge needed for success in your UTS Foundation Studies program, UTS Insearch diploma or in your UTS degree, as well as for social and future employment environments where English is spoken.

Many UTS Insearch graduates have completed or are completing degree programs at UTS. You can look forward to joining them when you conclude your studies with us."

Jason West
Director of Studies ELT,
B.Sc (Curtin), CELTA, MLM

Get the most from your studies in and out of the classroom

Building confidence and proficiency in small classes

Learning in a small class means you can get more individual attention. Our English classes have an average of 16 students, so there are many opportunities to ask questions and connect with teachers for extra help and support.

You'll also have exclusive access to our HELPS Centre which offers a wide range of resources for learning English.

Learn the skills you need to succeed at university and in your career

You'll become a confident communicator who feels comfortable with the English language. Mastering Academic English will develop your reading, writing, listening and speaking skills.

Learn from the best

Our teachers are the most highly qualified and experienced in the industry, which means you'll be taught by some of the best teachers in Australia.

Looking for direct entry to university?

When you complete our English program, no further IELTS or TOEFL tests are needed. Once you achieve the required English proficiency, you can move to the next program, whether that is UTS Foundation Studies, one of our diplomas or a UTS degree.

Program Benefits

- Small class sizes to give you the one-on-one attention you need to learn more effectively
- Engaging content to make learning fun
- Relevant topics to make conversations easier
- Friendly, highly-qualified teachers to help you learn at your own pace
- Many resources in the HELPS Centre available for you

Our English programs can also be studied with our partners in China, Indonesia, South Korea, Myanmar, Nepal and Vietnam. For more information, visit pages 82-83.

Which English program is right for you?

We offer:

General English Levels GE1–3 → Academic English Levels AE1–4 → Academic English Level AE5

	Academic English (AE1 – AE4) CRICOS CODE: 032410F	Academic English (AE5) CRICOS CODE: 032410F
Prepare for	AE1 – AE3 prepares you for entry into UTS Foundation Studies and the UTS Insearch Extended diploma program (4 semesters). AE4 prepares you for entry into UTS Insearch Standard (3 semesters) or Accelerated (2 semesters) diploma programs.	AE5 prepares you for studying most UTS undergraduate and postgraduate degrees.
Duration	200 hours over 10 weeks per level	200 hours over 10 weeks
Outcomes	Develop the confidence to interact in social situations and learn the skills you need to succeed in UTS Foundation Studies and UTS Insearch diploma programs.	Develop the confidence to interact in social situations and learn the skills you need to succeed at university, in your career and beyond.
Examples of skills you will learn	• Effective academic writing • Effective participation in seminars and tutorials • Listening and note-taking skills for academic study • Understanding lectures • Reading and researching academic texts.	• Writing in a range of academic genres • Analysing and paraphrasing academic texts • Summarising academic articles • Contributing effectively to seminar discussions • Giving professional tutorial presentations • Researching academic articles.

	General English (GE) CRICOS CODE: 032422B
Duration	100 hours of face-to-face tuition over 5 weeks per level
Outcomes	The General English program establishes the groundwork for English language development and focuses on the listening and speaking skills you will need for academic study. The program prepares you for entry into our Academic English (AE) programs. Students from beginner to lower intermediate levels may enter this course.

UTS Foundation Studies

Many international students, like you, choose to start with UTS Foundation Studies as the gateway to tertiary education in Australia.

That's why our course covers a broad range of subjects, all designed to get you there.

UTS Foundation Studies

Message from the UTS Foundation Studies Program Manager

"International students who come to study the UTS Foundation Studies program will experience excellent preparation for university success. The learning environment is supportive and student-focused, with small class sizes and experienced educational staff who engage students through active learning. Students will benefit from this well-rounded high quality program that enables students to improve their English language skills, expand their knowledge, develop their academic skills and build their confidence to become independent and collaborative learners."

Susan Sherringham
Program Manager,
UTS Foundation Studies
BA (Hons)

The UTS Foundation Studies program is delivered by UTS Insearch on behalf of UTS.

The program is offered as a Standard program (2 semesters) or an Extended program (3 semesters).

The Standard program is recommended if you are more confident in your English and academic skills, and you just need to improve further in order to articulate to UTS or a UTS Insearch diploma program.
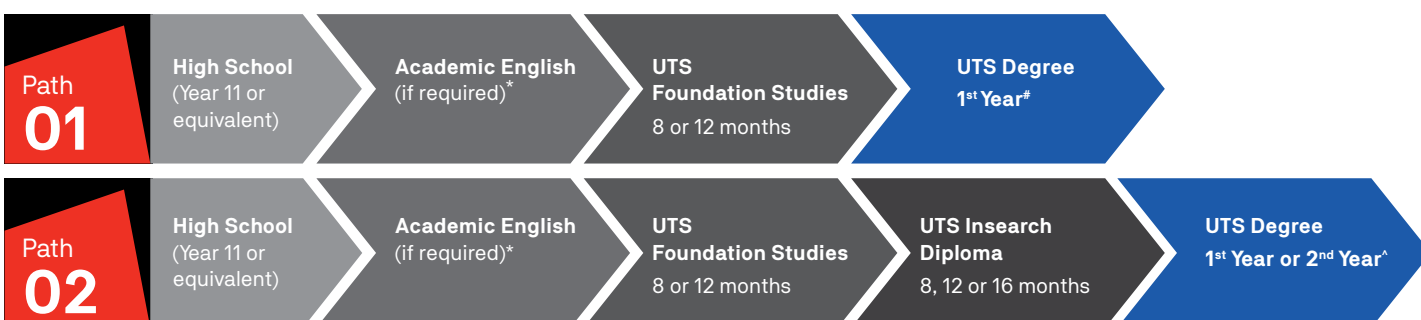

The Extended program provides additional opportunities for you if you are less confident in your academic and English skills. An extra semester of study gives you time to develop and consolidate English and academic skills before you progress to UTS or a UTS Insearch diploma program.

The UTS Foundation Studies program meets the requirements for foundation programs that have been registered on CRICOS for delivery in Australia, which means it provides academic preparation for international students who want to enter first year undergraduate study.

See pages 86-89 for your country's entry requirements.

You'll experience many different ways of learning, including:

- Mini lectures
- Tutorial-style activities
- Role play
- Discussions
- Debates
- Experiments
- Collaboration
- Research and analysis
- Student-led group work
- Presentations

Path 01

| High School (Year 11 or equivalent) | Academic English (if required)* | UTS Foundation Studies 8 or 12 months | UTS Degree 1st Year# |

Path 02

| High School (Year 11 or equivalent) | Academic English (if required)* | UTS Foundation Studies 8 or 12 months | UTS Insearch Diploma 8, 12 or 16 months | UTS Degree 1st Year or 2nd Year^ |

*You will only be required to enter a UTS Insearch Academic English program if you do not meet the English language entry requirements. See page 85.
#This pathway is only available if you achieve the required Grade Point Average (GPA).
^The point where you enter into your UTS degree will depend on your major and is based on no more than two subject failures. Not all majors will take you into second year.

Program Benefits

- Subjects are designed for international students
- Successful graduates can get into most undergraduate degrees at UTS
- Prepares you with skills for study at any Australian university
- Broadens your education through a wide range of subjects
- Learning is supported through the use of a range of technologies

UTS programs you can study after completing UTS Foundation Studies:

- Architecture
- Business
- Communication
- Creative Intelligence and Innovation
- Design
- Education
- Engineering
- Health
- Information Technology
- International Studies
- Law
- Nursing
- Science

UTS Foundation Studies subjects

	Semester 1	Semester 2	Semester 3

Standard Program
CRICOS CODE: 0824329
UTS COURSE CODE: C30019
 	
Total number of subjects:
8 graded subjects – 4 per semester
2 ungraded learning support subjects – 1 per semester
	• Foundation English 1 / Advanced English 1†
	• Digital Literacies
	• Introduction to Mathematics 1‡ or Introduction to Mathematics 2‡
	• Choose one elective:
	  • Multimedia
	  • International Perspectives
	  • Science, Technology and Society
	• Skills class (ungraded):
	  • Academic Skills 1
		• Foundation English 2 / Advanced English 2†
		• Introduction to Creative Thinking
		• Professional Environments
		• Choose one elective:
		  • Introduction to Mathematics 2‡ or Introduction to Mathematics 3‡
		  • Multimedia
		  • International Perspectives
		  • Science, Technology and Society
		• Skills class (ungraded):
		  • Academic Skills 2	

Extended Program
CRICOS CODE: 082433G
UTS COURSE CODE: C30020
 	
Total number of subjects:
12 graded subjects – 4 per semester
3 ungraded learning support subjects – 1 per semester
	• Foundation English 1 / Advanced English 1†
	• Australian Studies
	• Introduction to Mathematics 1‡ or Introduction to Mathematics 2‡
	• Society and Culture
	• Skills class (ungraded):
	  • Academic Skills 1
		• Foundation English 2 / Advanced English 2†
		• Digital Literacies
		• Choose two electives:
		  • Introduction to Mathematics 2‡ or Introduction to Mathematics 3‡
		  • Multimedia
		  • International Perspectives
		  • Science, Technology and Society
		• Skills class (ungraded):
		  • Academic Skills 2
			• Academic Communication / Advanced English 3‡
			• Introduction to Creative Thinking
			• Professional Environments
			• Choose one elective:
			  • Introduction to Mathematics 2‡ or Introduction to Mathematics 3‡
			  • Multimedia
			  • International Perspectives
			  • Science, Technology and Society
			• Skills class (ungraded):
			  • Academic Skills 3

† Note: The Advanced English stream of subjects is for students with IELTS 6 and above with 5.5 or above in writing (or equivalent).
‡ All students wanting to study Engineering must successfully complete FIM002 and FIM003.

Diploma of Business

Upon completion of a business diploma, you will be able to demonstrate a good understanding of everyday business functions such as accounting, finance, marketing and management that are practised across global organisations.

Diploma of Business

Message from the Business Program Manager

"Do you have a great idea for the next big thing? Want to enrich people's lives with revolutionary products and services? Whether you work in finance, accounting, marketing or international business, UTS Insearch business subjects will equip you with the knowledge and skills to get into a UTS Bachelor of Business and build a great business career."

Vinh Tran
Program Manager, Business
B.Comm (RMIT), M.Comm (Macquarie),
M.Acc. (Macquarie)

As a Diploma of Business student you will gain direct entry into the second year of the UTS Bachelor of Business, if you successfully complete the diploma with no more than two subject failures. You will also be awarded **48 credit points** of advanced standing towards your UTS Bachelor of Business degree.

Business pathway into UTS

The pathway you take into UTS will depend on your English proficiency and academic qualifications.

Path 01
High School (Year 11 or equivalent) → Academic English (if required)* → UTS Foundation Studies 8 or 12 months → UTS 1st Year# Bachelor of Business

Path 02
High School (Year 11 or equivalent) → Academic English (if required)* → UTS Foundation Studies 8 or 12 months → Diploma of Business 8, 12 or 16 months → UTS 2nd Year^ Bachelor of Business

Path 03
High School (Year 12 or equivalent) → Academic English (if required)* → Diploma of Business 8, 12 or 16 months → UTS 2nd Year^ Bachelor of Business

*You will only be required to enter a UTS Insearch Academic English program if you do not meet the English language entry requirements. See page 85.
#This pathway is only available if you achieve the required Grade Point Average (GPA).
^Based on successful completion of your diploma with no more than two subject failures.

Program Benefits
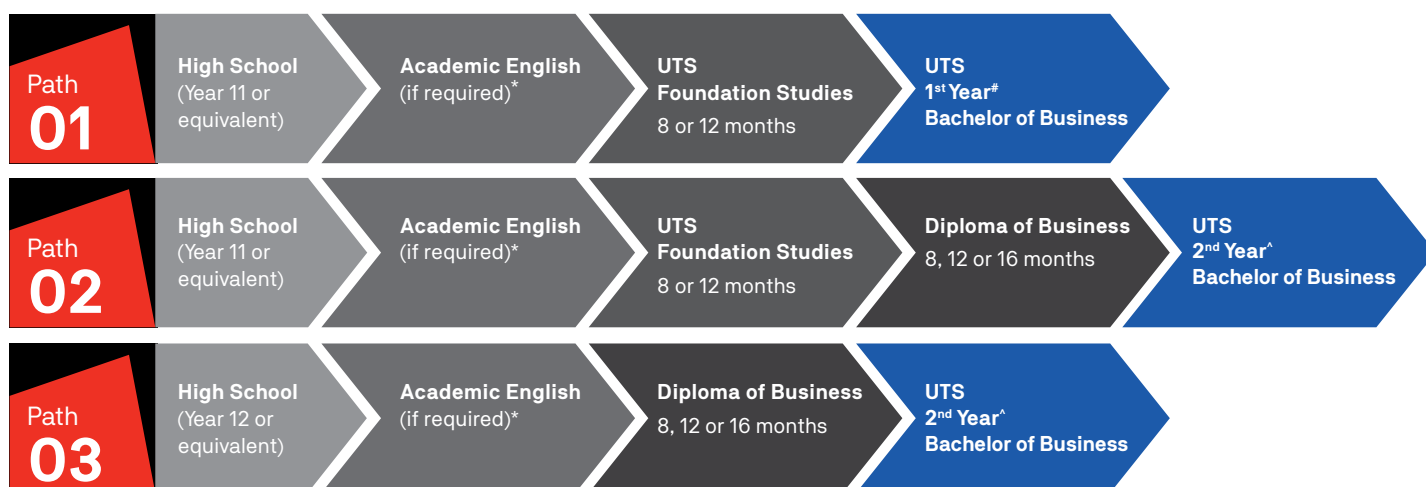

- 48 credit points guaranteed^
- Direct entry into the second year of the UTS Bachelor of Business^
- Focus on employability skills
- UTS and industry guest speakers
- Learn business theory for the real world
- Integrative thinking for the next generation of global business leaders

The Diploma of Business can also be studied with our partners, **UIC College in Indonesia**, **SILC Business School in China** and **IEN Institute in Korea**.

You will receive 48 credit points towards the Bachelor of Business or the Bachelor of Economics in the following majors:

- Accounting
- Economics
- Finance
- Human Resource Management
- International Business
- Management
- Marketing
- Advertising and Marketing Communication

Or the following UTS combined degree:**

- Bachelor of Business, Bachelor of Arts in International Studies

Business subjects

	Semester 1	Semester 2	Semester 3	Semester 4
Accelerated Diploma CRICOS CODE: 070300G Total subjects: 8	• Academic and Business Communication • Accounting for Business • Economics for Business • Managing People and Organisations	• Accounting Transactions and Business Decisions[i] • Marketing Foundations • Business Statistics • Fundamentals of Business Finance		
Standard Diploma CRICOS CODE: 053606J Total subjects: 8	• Academic and Business Communication • Accounting for Business • Economics for Business	• Accounting Transactions and Business Decisions[i] • Managing People and Organisations • Fundamentals of Business Finance	• Marketing Foundations • Business Statistics	
Extended Diploma CRICOS CODE: 080142A Total subjects: 11	• Fundamentals of Business • Business Maths • Academic English or Academic Communication for Diploma[ii]	• Academic and Business Communication • Accounting for Business • Economics for Business	• Accounting Transactions and Business Decisions[i] • Managing People and Organisations • Fundamentals of Business Finance	• Marketing Foundations • Business Statistics

[i] Pre-requisite: Accounting for Business
[ii] You will be placed in either Academic English (ACEN001) or Academic Communication for Diploma (ACCO001) based on your level of English. If you are enrolled in Academic English (ACEN001) in the first semester of your course, you must successfully complete the subject before progressing into further subjects.
^Based on successful completion of your diploma with no more than two subject failures.
**For the majority of combined degrees the GPA can be higher than that of a single degree.

Diploma of Communication

From day one, you'll be learning from our highly qualified lecturers who also bring current industry knowledge in gamified, cutting–edge digital and social media communication to the learning experience.

Diploma of Communication

Message from the Communication Program Manager

"Do you dream of being an award winning journalist, a film critic or an advertising executive? From Journalism to Public Relations and Digital Media, your pathway to a sought after UTS communication degree begins here."

Dr Janet Gibson
Program Manager, Communication

BA (Syd), Cert TESOL (UNSWIL),
Grad Dip Communication (UTS), MEd (UTS),
MA App Ling (UTS), MA Film and
Theatre (UNSW), PhD (Macquarie)

As a successful Diploma of Communication student majoring in either Public Relations or Digital and Social Media, you will gain direct entry into the second year of the UTS Bachelor of Communication with **48 credit points** of advanced standing awarded towards your degree.

If you wish to study one of the other majors offered in the Bachelor of Communication at UTS, the 48 credit points can apply to the duration of the degree, allowing for a reduced work load. Journalism and MAP majors can take up to 3 years to complete due to their course structures. Entry to all majors at UTS depends on completion of the diploma with no more than two subject failures.

Communication pathway into UTS

The pathway you take into UTS will depend on your English proficiency and academic qualifications.

Path 01	**High School** (Year 11 or equivalent)	**Academic English** (if required)*	**UTS Foundation Studies** 8 or 12 months	**UTS 1st Year#** **Bachelor of Communication**
Path 02	**High School** (Year 11 or equivalent)	**Academic English** (if required)*	**UTS Foundation Studies** 8 or 12 months	**Diploma of Communication** 8, 12 or 16 months → **UTS 1st or 2nd Year^** **Bachelor of Communication**
Path 03	**High School** (Year 12 or equivalent)	**Academic English** (if required)*	**Diploma of Communication** 8, 12 or 16 months	**UTS 1st or 2nd Year^** **Bachelor of Communication**

*You will only be required to enter a UTS Insearch Academic English program if you do not meet the English language entry requirements. See page 85.
#This pathway is only available if you achieve the required Grade Point Average (GPA).
^Based on successful completion of your diploma with no more than two subject failures. The point where you enter into your UTS Bachelor of Communication will depend on your major.

Program Benefits

- 48 credit points guaranteed^
- UTS subjects adapted to support UTS Insearch students
- Industry guest speakers
- Real-world assessments
- Access to the latest technology-enabled learning

You will receive 48 credit points towards a UTS Bachelor of Communication in the following majors^:

- Public Communication
- Digital and Social Media
- Journalism
- Media Arts and Production
- Social and Political Sciences
- Creative Writing

A double degree combining one of the above majors** with:

- International Studies

Communication subjects

	Semester 1	Semester 2	Semester 3	Semester 4
Public Relations Stream				
Accelerated Diploma CRICOS CODE: 080602M Total subjects: 6	• Citizenship and Communication • The Ecology of Public Communication • Academic English: Communication Fundamentals	• Digital Literacies • Principles of Public Relations • Digital Communities		
Standard Diploma CRICOS CODE: 080601A Total subjects: 6	• Citizenship and Communication • Academic English: Communication Fundamentals	• Digital Literacies • The Ecology of Public Communication	• Digital Communities • Principles of Public Relations

Diploma of Engineering

Engineering makes the world go around, from saving lives with medical devices to solving sanitation issues for remote communities.

Rewarding, challenging and fun, our Diploma of Engineering is the perfect preparation to embark on a career in engineering.

Diploma of Engineering

Message from the Engineering Program Manager

"Want a career that changes lives? Searching for answers to how things work? Enjoy solving problems? Our Diploma of Engineering is perfect if you're looking for a future career with opportunities to travel, have fun and experience diverse employment."

Jasmine Cheng
Program Manager, Engineering and IT
BCom (IS) (UoW), MICT (UoW)

As a Diploma of Engineering student you will gain direct entry into the second year of the UTS Bachelor of Engineering (Honours), if you successfully complete the diploma with no more than two subject failures. You will also be awarded **48 credit points** of advanced standing towards your UTS Bachelor of Engineering (Honours) degree.

Engineering pathway into UTS

The pathway you take into UTS will depend on your English proficiency and academic qualifications.

Path 01	High School (Year 11 or equivalent)	Academic English (if required)*	UTS Foundation Studies 8 or 12 months	UTS 1st Year# Bachelor of Engineering (Honours)	
Path 02	High School (Year 11 or equivalent)	Academic English (if required)*	UTS Foundation Studies 8 or 12 months	Diploma of Engineering 8, 12 or 16 months	UTS 2nd Year^ Bachelor of Engineering (Honours)
Path 03	High School (Year 12 or equivalent)	Academic English (if required)*	Diploma of Engineering 8, 12 or 16 months	UTS 2nd Year^ Bachelor of Engineering (Honours)	

*You will only be required to enter a UTS Insearch Academic English program if you do not meet the English language entry requirements. See page 85.
#This pathway is only available if you achieve the required Grade Point Average (GPA).
^Based on successful completion of your diploma with no more than two subject failures.

Program Benefits

- **48 credit points guaranteed**^
- **Subjects co-written by UTS**
- **Learn in collaborative learning spaces that support group work**
- **Hands-on and practice-based learning**
- **Industry networking opportunities**

The Diploma of Engineering can also be studied with our partner, **UIC College in Indonesia**.

You will receive 48 credit points towards a UTS Bachelor of Engineering (Honours) in the following majors^:

- Biomedical
- Civil
- Civil (Construction)
- Civil (Structures)
- Electrical
- Mechanical
- Mechatronic
- Software

Completion of Mathematical Modelling 1 (EMAT001) & Mathematical Modelling 2 (EMTH001) is required for the following majors:

- Mechatronic
- Electrical

UTS also offers the Diploma of Professional Engineering Practice which includes two six-month internships along with all of the above Engineering majors.

Engineering subjects

	Semester 1	Semester 2	Semester 3	Semester 4
Accelerated Diploma CRICOS CODE: 070305C Total subjects: 8	• Introduction to Technical Communication • Chemistry 1 / Chemistry and Materials Science or Programming Fundamentals • Physical Modelling • Mathematical Modelling 1 or Foundation Mathematics	• Networking Essentials or Introduction to Civil and Environmental Engineering or Business Requirements Modelling • Mathematical Modelling 1 or Mathematical Modelling 2 • Engineering Computations or Applications Programming • Introduction to Electrical Engineering or Engineering Mechanics or Database Fundamentals		
Standard Diploma CRICOS CODE: 070304D Total subjects: 8	• Introduction to Technical Communication • Chemistry 1 / Chemistry and Materials Science or Programming Fundamentals • Mathematical Modelling 1 or Foundation Mathematics	• Physical Modelling • Engineering Computations or Introduction to Civil and Environmental Engineering or Applications Programming • Mathematical Modelling 1 or Mathematical Modelling 2	• Networking Essentials or Mathematical Modelling 2 or Engineering Computations or Business Requirements Modelling • Engineering Mechanics or Introduction to Electrical Engineering or Database Fundamentals	
Extended Diploma CRICOS CODE: 080145J Total subjects: 11	• Introduction to Mathematics • Introduction to Science • Academic English or Academic Communication for Diploma[ii]	• Introduction to Technical Communication • Chemistry 1 / Chemistry and Materials Science or Programming Fundamentals • Foundation Mathematics or Mathematical Modelling 1	• Physical Modelling • Engineering Computations or Introduction to Civil and Environmental Engineering[i] or Applications Programming • Mathematical Modelling 1 or Mathematical Modelling 2	• Networking Essentials or Mathematical Modelling 2 or Engineering Computations or Business Requirements Modelling • Introduction to Electrical Engineering or Engineering Mechanics or Database Fundamentals

[i] You will take different combinations of subjects depending on your choice of major.

[ii] You will be placed in either Academic English (ACEN001) or Academic Communication for Diploma (ACCO001) based on your level of English. If you are enrolled in Academic English (ACEN001) in the first semester of your course, you must successfully complete the subject before progressing into further subjects.

^ Based on successful completion of your diploma with no more than two subject failures.

Required Knowledge for the UTS Insearch Diploma of Engineering: The UTS Insearch Diploma of Engineering Accelerated (2 semester) and Standard (3 semester) program is offered to students who have successfully completed Year 12 subjects in Mathematics, Physics and /or Chemistry. Students who do not meet the pre-requisite may be considered for the Extended program (4 semesters). The Extended program includes three additional enabling subjects to ensure students have the core fundamentals before progressing onto more advanced subjects. Students who attained their secondary education in a country other than Australia must have completed equivalent Mathematics subjects (plus Physics and /or Chemistry) in year 12, in order to qualify for the Accelerated and Standard programs. Students who would like to study either a Standard or Accelerated diploma will need to sit the Maths Readiness test. Students planning to enrol in the UTS Foundation Studies program prior to the Diploma of Engineering should enrol in the Introduction to Mathematics subjects (2 & 3).

"It's ok to fail. Many people give up because they lose the passion but you have to keep going. That kind of attitude moves you forward."

Diploma of Information Technology
We're nurturing tomorrow's IT pioneers; from web designers to software engineers and application architects. Our program develops your skills in different aspects of computing and information technology, with options to gain in-depth knowledge alongside your core subjects.

Diploma of Information Technology

Message from the Information Technology Program Manager

"Does future-focused technology ignite your interest? Do you have a passion for computers? Are you curious to discover how things work? As tomorrows web designer, software engineer or app developer, take your first step today with a UTS Information Technology degree."

Jasmine Cheng
Program Manager, Engineering and IT
BCom (IS) (UoW), MICT (UoW)

As a Diploma of Information Technology student you will gain direct entry into the second year of the UTS Bachelor of Science in Information Technology, if you successfully complete the diploma with no more than two subject failures. You will also be awarded **48 credit points** of advanced standing towards your UTS Bachelor degree.

Information Technology pathway into UTS

The pathway you take into UTS will depend on your English proficiency and academic qualifications.

Path 01
High School (Year 11 or equivalent) → Academic English (if required)* → UTS Foundation Studies 8 or 12 months → UTS 1st Year# Bachelor of Science in Information Technology or Bachelor of Business, Bachelor of Science in Information Technology (combined degree)

Path 02
High School (Year 11 or equivalent) → Academic English (if required)* → UTS Foundation Studies 8 or 12 months → Diploma of Information Technology 8, 12 or 16 months → UTS 2nd Year^ Bachelor of Science in Information Technology or Bachelor of Business, Bachelor of Science in Information Technology (combined degree)

Path 03
High School (Year 12 or equivalent) → Academic English (if required)* → Diploma of Information Technology 8, 12 or 16 months → UTS 2nd Year^ Bachelor of Science in Information Technology or Bachelor of Business, Bachelor of Science in Information Technology (combined degree)

*You will only be required to enter a UTS Insearch Academic English program if you do not meet the English language entry requirements. See page 85.
#This pathway is only available if you achieve the required Grade Point Average (GPA).
^Based on successful completion of your diploma with no more than two subject failures.

Program Benefits

- **48 credit points guaranteed^**
- **Class visits and excursions**
- **Technology-enabled activities**
- **Gain practical experience while you study**
- **Continuous updates to keep pace with technologies and industry trends**

The Diploma of Information Technology can also be studied with our partner, **IEN Institute in Korea**.

You will receive 48 credit points towards the following UTS bachelor degrees^:

- Bachelor of Business, Bachelor of Science in Information Technology (combined degree)**
- Bachelor of Science in Information Technology, Diploma in IT Professional Practice
- Bachelor of Science in Information Technology

[i] Pre-requisite: Programming Fundamentals
[ii] You will be placed in either Academic English (ACEN001) or Academic Communication for Diploma (ACCO001) based on your level of English. If you are enrolled in Academic English (ACEN001) in the first semester of your course, you must successfully complete the subject before progressing into further subjects.
[iii] Pre-requisite: Introduction to Information Systems
^ Based on successful completion of your diploma with no more than two subject failures.
**Please note that for the majority of combined degrees, the GPA can be higher than that of a single degree.

"Take the time to identify your passion and strengths. It'll help you to discover the direction that's right for you – and pay off in the long run. "

Terry Kwon

From Seoul, South Korea

CEO & CTO
at Gix Entertainment

Diploma of Science

The Diploma of Science is designed to empower you to apply scientific thinking and analysis to important issues impacting the world today.

Your work as a scientist has the potential to change the future and help solve some of the challenges humanity faces.

Diploma of Science

Message from the Science Program Manager

"Do you have a curious mind? Are you drawn to solving problems and asking deeper questions? Science opens the door to a world of possibilities, from biomedical science to chemistry or forensic analysis. The Diploma of Science provides the knowledge and skills required to unlock the next level of learning – a UTS Science degree, followed by a multitude of career options."

Justin Chu
Program Manager, Science
BSc (1st Class Hons), M.Phil, PGDE

As a Diploma of Science student you will gain direct entry into the second year of the UTS Bachelor of Science, if you successfully complete the diploma with no more than two subject failures. You will also be awarded up to **48 credit points** of advanced standing towards your UTS Bachelor of Science degree.

Science pathway into UTS

The pathway you take into UTS will depend on your English proficiency and academic qualifications.

Path 01	High School (Year 11 or equivalent)	Academic English (if required)*	UTS Foundation Studies 8 or 12 months		UTS 1st Year# Bachelor of Science
Path 02	High School (Year 11 or equivalent)	Academic English (if required)*	UTS Foundation Studies 8 or 12 months	Diploma of Science 8, 12 or 16 months	UTS 1st or 2nd Year^ Bachelor of Science
Path 03	High School (Year 12 or equivalent)	Academic English (if required)*	Diploma of Science 8, 12 or 16 months	UTS 1st or 2nd Year^ Bachelor of Science	
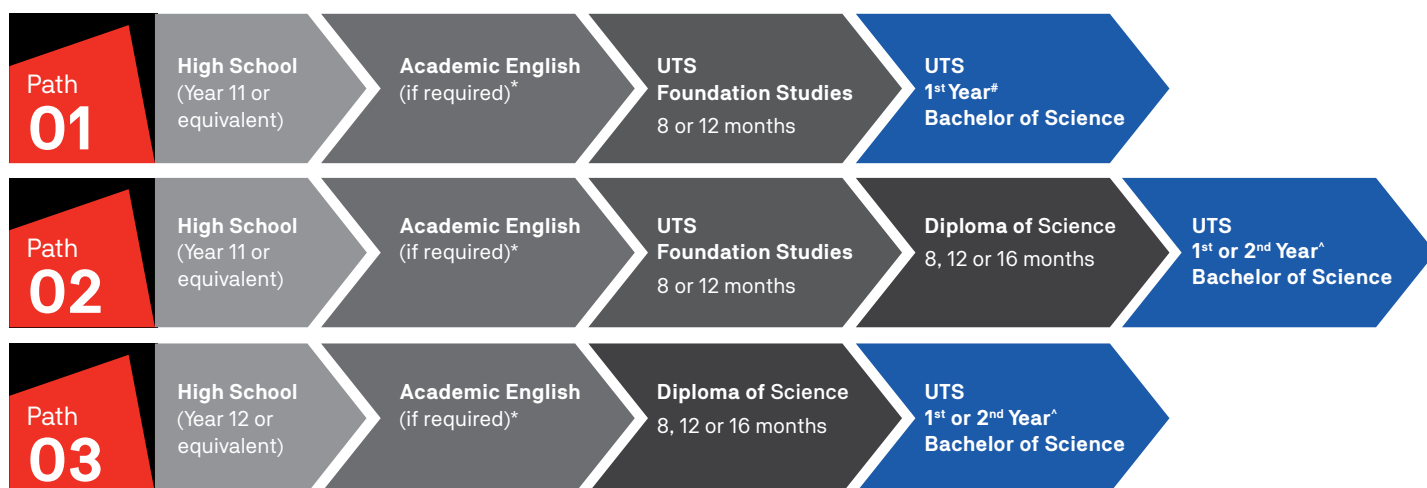

*You will only be required to enter a UTS Insearch Academic English program if you do not meet the English language entry requirements. See page 85.
#This pathway is only available if you achieve the required Grade Point Average (GPA).
^Based on successful completion of your diploma with no more than two subject failures. The point where you enter into your UTS Bachelor of Science will depend on your major.

Program Benefits

- Up to 48 credit points guaranteed^
- Choice of two streams —
  Life Sciences or Physical Sciences
- Open the door to a wide range of specialist
  undergraduate science degrees
- Focus on scientific theories applicable to the real world
- Engage with hands-on practices that prepare
  you for a successful STEM career

You will receive 48 credit points towards the following UTS bachelor degrees^:

- Advanced Science
- Biomedical Physics
- Biomedical Science
- Biotechnology
- Environmental Biology
- Forensic Science
- Marine Biology
- Medical Science
- Medicinal Chemistry
- Science

You will receive specified credit points towards the following UTS bachelor degrees in:

- Biotechnology (Major: Computational Biotechnology) (36 credit points)
- Science in Analytics (24 credit points)
- Science (Majors: Mathematics or Statistics) (24 credit points)

UTS Insearch programs around the world

Did you know, as an international student you can access UTS Insearch programs in your home country?

Here at UTS Insearch, we want to help you get the education you need to excel. By creating an international network of high quality educational partners, we've opened up our programs to the world. We've chosen a select group of partners to work with us and deliver our leading curriculums. Students in countries such as China, Indonesia, Vietnam, Korea, Myanmar and Nepal can start preparing for a future at UTS.

Our programs are delivered internationally to the same high standards that you would expect at UTS Insearch in Sydney. They offer you the opportunity to start your university preparation in your home country, before progressing to study in Sydney.

Which program is right for you?

English programs

We offer a range of English programs to suit all levels of language proficiency. These programs will help you become confident at communicating in English and prepare you for study or work at an English speaking university or organisation. Our English programs can be studied with one of our partners in China, Indonesia, Korea, Myanmar, Nepal or Vietnam. These programs are designed to ensure you develop the English language skills required to succeed at university. They also provide direct entry into UTS Foundation Studies, UTS Insearch diploma programs and UTS undergraduate and postgraduate degrees†.

Study our leading English program in the following locations:

- Education International Cooperation (EIC), China
- Sydney Institute of Language and Commerce (SILC), China
- UIG English, Indonesia
- IEN Institute, South Korea
- AEC English Centre, Myanmar
- Neo Lingua International Career Centre (NLICC), Nepal
- Australian Centre for Education & Training (ACET), Vietnam
- UTS Insearch, Australia

† Entry is subject to meeting academic and immigration entry requirements.

UTS Foundation Studies and Diploma programs

We recommend studying UTS Foundation Studies or one of our diploma programs if you need to develop your academic or English skills before starting an undergraduate degree at UTS. All of these programs can be studied in Sydney, or depending on the subject you choose, with one of our partners in China, Indonesia, or Korea.

Choose from one of six diplomas:

- Business
- Communication
- Design & Architecture
- Engineering
- Information Technology
- Science

Study our diploma programs in the following locations:

- Diploma of Business or Engineering in Indonesia with UIC College
- Diploma of Business in China with SILC Business School
- Diploma of Business or IT in Korea with IEN Institute
- All diploma programs in Australia with UTS Insearch

As UTS Insearch continues to expand its courses and partnerships globally, we look forward to welcoming more students into our internationally recognised study programs.

English course entry requirements

The right level of English

The duration of your English Language program depends on your level of English upon entry and your intended pathway.

Before you begin your UTS Insearch academic course, UTS undergraduate or post graduate degree, you will need to find out if you have the appropriate English skills.

If you have a current IELTS, TOEFL or PTE (Academic) score (with the test date within 12 months of the course commencement date) refer to the table on page 36. The table indicates which level of English and the minimum number of weeks of English you will need to study, before you commence your academic studies.

Having an IELTS, TOEFL or PTE (Academic) result will assist in estimating the duration of your English language studies for UTS Foundation Studies, UTS Insearch diplomas and UTS degree programs.

UTS Insearch placement test

If you do not have a current IELTS, TOEFL or PTE (Academic) result and plan on undertaking English studies prior to commencing your academic studies, you will need to sit an English placement test. This is conducted at all UTS Insearch agents' offices or on the morning of the first day of term.

Assessment

You will sit an exam at the end of each level of English study. Your result in this exam will be used to determine your progression to the next English level.

English language entry requirements

UTS Foundation Studies

	Extended (3 semesters – 12 months)	Standard (2 semesters – 8 months)
IELTS (Academic)	5.5 overall with a minimum of 5.0 in writing	5.5 overall with a minimum of 5.0 in all bands
TOEFL-PB	525 TWE 4.0	525 TWE 4.0
TOEFL-CB	197 TWE 4.0	197 TWE 4.0
TOFEL- iBT	71 with 16 in writing	71 with 16 in writing
UTS Insearch English	AE3 with pass grade	AE3 with pass grade
Pearson Test of English PTE (Academic)	Overall 46, with a minimum of 38 for writing	Overall 46, with a minimum of 38 for speaking, listening, reading and writing

UTS Insearch diplomas

	Extended Diploma (4 semesters – 16 months)	Standard Diploma (3 semesters – 12 months)	Accelerated Diploma (2 semesters – 8 months)
IELTS (Academic)	5.5 overall with a minimum of 5.0 in all bands	6.0 overall with 6.0 in writing	6.0 overall with 6.0 in writing
TOEFL-PB	525 TWE 4.0	550 TWE 4.5	550 TWE 4.5
TOEFL-CB	197 TWE 4.0	213 TWE 4.5	213 TWE 4.5
TOFEL- iBT	71 with 16 in writing	80 with 21 in writing	80 with 21 in writing
UTS Insearch English	AE3 with pass grade	AE4 with pass grade	AE4 with pass grade
Pearson Test of English PTE (Academic)	Overall 46, with a minimum of 38 for speaking, listening, reading and writing	Overall 54, with a minimum of 54 for speaking, listening, reading and writing	Overall 54, with a minimum of 54 for speaking, listening, reading and writing

Information for students who have completed high school in Australia

The right level of English

If you are an international student and have undertaken your high school studies in the Australian education system, you will be required to sit the IELTS test or the PTE (Academic) test if:

- You have completed year 11 and have an English Second Language (ESL) mark of less than 60%
- You have achieved a low average mark for English in the HSC.

If you proceed directly from a UTS Insearch English program to UTS, you will need to have completed AE5 to get into most UTS degrees. Several UTS degree courses require a higher level of English proficiency than AE5.

Entry to UTS

Please check English entry requirements for UTS courses at **international.uts.edu.au**

Academic course entry requirements

The table below lists the minimum entry requirements needed to enter UTS Insearch academic programs.

International qualifications

Qualification	UTS Foundation Studies[iii]		UTS Insearch Diploma Courses
	Extended (3 semesters – 12 months)	**Standard** (2 semesters – 8 months)	**Extended** (4 semesters – 16 months) **Standard** (3 semesters – 12 months) **Accelerated** (2 semesters – 8 months)
Global Assessment Certificate	On application	On application	GPA 2.30 Extended GPA 2.60 Standard and Accelerated
International Baccalaureate	Successful completion of Year 1 of the Diploma	18	21 Forecast IB score minimum 23 acceptable

Country/region entry requirements

Country/Region of Education	UTS Foundation Studies[iii]		UTS Insearch Diploma Courses
	Extended (3 semesters – 12 months)	**Standard** (2 semesters – 8 months)	**Extended** (4 semesters – 16 months) **Standard** (3 semesters – 12 months) **Accelerated** (2 semesters – 8 months)
Australia (domestic students, citizens and permanent residents)	N/A	N/A	HSC subject average is based on English plus the top three non-VET subjects (All 4 subjects must be Category A): • 75% for Accelerated (max. OP score of 15) • 67% for Standard (max. OP score of 16) • 63% for Extended (max. OP score of 17)
Australia (international students at high school in Australia)	Year 11 successful completion (average 50% academic subjects and min 60% English Second Language)	Year 11 successful completion (average 65% academic subjects and min 60% English Second Language)	HSC subject average based on English plus the top three non-VET subjects (All 4 subjects must be Category A): • 75% for Accelerated (max. OP score of 15) • 67% for Standard (max. OP score of 16) • 63% for Extended (max. OP score of 17)
Bangladesh	HSC successful completion	HSC 2nd Division 50%	HSC 2nd Division 53% or GCE: 2 A level passes, 1 D grade and 1 E grade
Bahrain	HSC successful completion	General Secondary School Certificate (GSSC) 75%	General Secondary School Certificate (GSSC) 78% or equivalent
Brazil	Ensino Médio 5.3	Ensino Médio 6.0	Ensino Médio 7.0

The academic entry requirements are correct at time of printing, please visit our website for the latest entry requirements at insearch.edu.au

iii Important note on minimum age requirement: if you are an international student who has met the entry requirements for UTS Foundation Studies and you are aged 16 when the course is due to start, you can only join the course if you also undertake a UTS Insearch diploma and will be 17 when the diploma is due to start.

Accommodation in Sydney

Accommodation

You can choose from a variety of accommodation options while you study at UTS Insearch. Whether it's a family home, a unit by the beach or student housing in the UTS precinct, Sydney offers many options.

Student accommodation

A great range of student accommodation options are available within easy reach of UTS Insearch. This is a popular choice for students who want to be part of a student community and experience city living. Student accommodation providers include (but not limited to) Urbanest, UniLodge and Iglu.

For more information, contact the Student Accommodation team at accommodation@insearch.edu.au or visit insearch.edu.au/accommodation

UTS Insearch student residence – special offer!

UTS Insearch, in partnership with Urbanest, offers high-quality and safe accommodation options, all conveniently located in the city, near our campus and at a reduced rate — for both over and under 18's. You'll benefit from a Sydney airport pickup, welcome pack and household items to help you settle in. Sharing accommodation with your fellow classmates helps to create a fun community away from campus.

For more information contact the Urbanest accommodation team at enquiries@urbanest.com.au or visit the below pages to view the deals.

Under 18 Students:
insearch.edu.au/accommodation-under-18

Over 18 Students:
insearch.edu.au/accommodation-over-18
Homestay

If you are new to Australia you can apply to live with a Homestay family. Living with a local family is a great way for you to experience life in Australia and practise your spoken English. All Homestay families have been specially chosen to ensure that a safe and supportive home environment is provided. Each home is within 45–60 minutes travelling time from campus, in a variety of locations around Sydney.

Other options

Renting and house sharing are also popular options. The UTS Housing Service provides a listing of available private properties, which includes share houses, apartments, studios and rooms if you want to live independently. The service is free of charge and accommodation agents can provide assistance before you arrive in Sydney.

Please note: If you are an international student under the age of 18 and your accommodation and welfare arrangements have not been approved by the Department of Home Affairs, you are required to live in accommodation approved by UTS Insearch.

Find out more about accommodation options by visiting our website:
insearch.edu.au/student-life/accommodation

Frequently asked questions

Applications and enrolment

Should I apply early?
Yes. The sooner you apply, the sooner you can receive your offer. Once your place is secured (by paying the fees), you will have plenty of time to plan coming to Sydney.

What is the turnaround time for processing applications?
Complete applications are processed within 48 hours.

Can I still apply even if I don't have all my certified documents with me?
Yes. UTS Insearch can still process your application if you do not have all the relevant documents you need. We will provide you with a provisional offer. Once we have received the required documents and confirmed that you have met both academic and English entry requirements, a full offer can be made.

What is the process for extending a Full-Time English (FTE) enrolment?
You need to go to the UTS Insearch Student Centre and submit a new application. A staff member will arrange the re-enrolment and issue a new Confirmation of Enrolment (CoE) when we have received your payment.

What is the International Student Processing Fee (ISPF)?
You must pay a processing fee of A$250 when you accept your offer from UTS Insearch.

How will you communicate with me?
After you accept your offer and pay the required fees, you will be given your own UTS email address and details of how to activate it. This is how we will communicate with you from that point onwards.

Applying for a student visa

Do I need to purchase health insurance if I apply for a student visa?
Yes. Visa requirements state that international students need to purchase an approved Overseas Student Health Cover (OSHC) policy, before arriving in Australia. This will cover you for your entire visa. UTS Insearch can assist in arranging this. Refer to our international student application form.

What happens if there is a gap between courses?
If you would like to apply for a package visa you should plan to avoid any lengthy gaps between courses. Your agent can assist with this, or you can contact the UTS Insearch Student Admissions office for help with an appropriate study plan. Please email:
registrar@insearch.edu.au

Student accommodation

What are my accommodation options in Sydney?
We can help you to find accommodation with the following providers:
- Homestay; a popular choice for international students
- Student Accommodation; providers include Urbanest, Unilodge and Iglu
- Off-campus accommodation; UTS Housing Service provides a private listing of properties such as share houses, studios and rooms.

How long does it take to organise Homestay accommodation?
UTS Insearch requires at least 28 days' notice to arrange a Homestay and airport welcome service. For more information contact our Student Accommodation Coordinator: +61 2 9218 8614 or accommodation@insearch.edu.au or visit our website: insearch.edu.au/accommodation

Studying at UTS Insearch

What are the rules about attendance?
Maintaining satisfactory attendance is a condition of your student visa and a requirement of UTS Insearch. On both accounts, the requirement is to attend at least 80% of classes.

Where can I find information on course timetables?
Information on lecture and tutorial times is posted on the student extranet. Details about how to access the extranet will be provided during Orientation.

How many people will be in class with me?
Class sizes at UTS Insearch are small, with no more than 20 students per academic class and an average of 16 students per English class. This means you benefit from maximum face-to-face time with your tutor or lecturer.

How many hours of study per week are required?
Diploma: this depends on your course and course type (Accelerated, Standard and Extended).

Academic English: 20 hours of face-to-face study and 10 hours of individual study.

UTS Foundation Studies: On average 28 hours face-to-face study with a further 12 hours of independent learning.

Can I work while studying?
Yes. A focus on your studies is essential but we recognise that some students may want to work part-time. Working arrangements need to fit around your study commitments. Some visas have work restrictions (visa condition 8101).

A student visa allows you to work part-time (maximum 40 hours per fortnight) while studying.

Part-time work must not interfere with your studies or timetable. You must be available to attend classes from 9am-8pm, Monday to Friday. You may also be required to attend classes on a Saturday.

During study breaks, you may work full-time.

How can I change from one course to another?
If you want to change your program, you will need to go to the UTS Insearch Student Centre and talk to a staff member. Transferring to another program will depend on availability, your academic progress and your academic/English qualifications.

Orientation and Academic Preparation week

When is Orientation and Academic Preparation week?
Orientation and Academic Preparation week is held before your classes commence. Information regarding this appears in your Orientation and Academic Preparation week letter, which will be sent to you via email.

Is attendance at Orientation and Academic Preparation week compulsory?
Yes. All sessions are compulsory.

These sessions will support your transition into life at UTS Insearch and Sydney.

Articulation to UTS

How does articulation to UTS work?
During the final semester of your diploma course or UTS Foundation Studies program, a transfer session will take place that you must attend. UTS faculty representatives will offer advice and information about the various degrees and majors available, and articulation from UTS Insearch. Study Success Advisers will provide more details about the transfer session.

If I fail some subjects, can I still articulate to UTS?
If you fail any subjects you will need to repeat them. If you are an international student and complete a UTS Insearch diploma with no more than two subject failures, you are guaranteed articulation to the relevant UTS undergraduate degree. If you fail more than two subjects, the guarantee does not apply and UTS will assess whether you are able to articulate into a degree. If you complete the UTS Foundation Studies program you need to achieve a specific Grade Point Average (GPA) in order to have guaranteed articulation to UTS.

Student support

Does UTS Insearch have extra learning support?
Yes. Study Skills Workshops are available during Orientation and Academic Preparation Week, and throughout the year, to help you get a head start with your studies. Please speak to your Study Success Adviser for further information.

Student scholarships

Does UTS Insearch offer scholarships?
Yes. A list of the UTS Insearch scholarships can be found at insearch.edu.au/scholarships

Key academic dates 2019–2020

March Semester 2019

11–15 March 2019
Mandatory Orientation and Academic Preparation for new students and re-enrolment for continuing students

18 March 2019

1–5 June 2020
Diploma examination period

5 June 2020
Last day of UTS Foundation Studies classes

6–28 June 2020
Holiday and re-enrolment

How to apply

Step 1

Apply through an authorised UTS Insearch agent in your country of residence

International students must apply through an authorised UTS Insearch agent. To find an authorised agent in your country, please visit insearch.edu.au/find-an-agent

In exceptional circumstances, where there are no conveniently located authorised UTS Insearch agents, applications, including a completed and signed international student application form, and supporting documentation can be emailed to registrar@insearch.edu.au

Certified copies of English qualifications and academic transcripts (translated into English) must accompany all completed application forms.

Please visit insearch.edu.au/how-to-apply/international-students for further information.

Please visit insearch.edu.au/au/about/publications to download an application form.

Step 2

Acknowledgement of your application

You will receive notification of the outcome of your application and if you are successful, we will send you an offer letter with details of your course and required fees.

Step 3

Paying your fees and submitting your Acceptance Form

To accept your offer you must pay your fees and submit your signed and dated Acceptance Form. You should pay in Australian dollars via Flywire (our preferred method of payment).

You should pay your fees no later than six weeks before your course starts, to allow time to apply for your student visa. In some cases your application may take longer to process. We recommend that you pay your fees early to secure a place on the course you want, and to allow sufficient time for visa processing.

Step 4

Receiving your Confirmation of Enrolment (CoE)

When we receive payment of your fees, UTS Insearch will issue you with a Confirmation of Enrolment (CoE). You will need the CoE to obtain a student visa.

If you decide to apply for a package visa to cover the duration of both your UTS Insearch course(s) and your UTS degree, you will also need a CoE for your UTS degree course. To obtain the degree CoE you will need to pay an administration fee of A\$110, which will not be refunded if you are not accepted for the degree. This fee will be included in the UTS Insearch offer letter and needs to be paid to UTS Insearch when accepting your offer.

Visa packaging information for students

All international students must obtain a student visa. You can be granted a visa to cover the duration of one course or a number of courses as a package.

To be granted a visa to cover the total duration of all the courses in your package, you must provide a Confirmation of Enrolment (CoE) for all courses in your study package.

UTS Insearch package offer

If you are undertaking English studies, you can apply for a UTS Insearch study package with either UTS Foundation Studies, UTS Insearch diploma or a UTS undergraduate or postgraduate course.

You will be given a 5% discount on your English fees if you undertake any of the above packages.

If you undertake a UTS Foundation Studies program and a UTS Insearch diploma as a study package, you will be eligible for a 5% discount on your diploma fees.

If you undertake English at UTS Insearch before undertaking a course at UTS, you will first need to apply for the UTS course at the UTS International office.

Course and payment details are noted in your offer letter.

For more detailed information about enrolment at UTS Insearch, please visit insearch.edu.au/international-student-applications
