

# UTS MAJOR SELECTION QUESTIONNAIRE

The UTS major selection questionnaire is an important part of UTS College student transfer into the UTS course. The information collected on the online form will be used to:

- Reserve class places, where appropriate
- Apply Recognition of Prior Learning to your study plan
- Allow you to enrol online into the second year of your UTS course.

For further assistance or information, please visit your nearest [UTS Student Centre](#) or email us [AskUTS](#)

## How to complete the Online Questionnaire

To complete the online questionnaire, simply refer to the course list below and find what course applies to you. Once you locate your course, click on the relevant **course code** or follow the link below your course.
