Yes, I am studying UTS Foundation Studies and/or a Diploma program upon completion of my English studies and I agree for UTS College to make appropriate changes to my study plan, including issuing a new offer and CoE(s).

Conditions

1. Applications for leave should be requested no later than Friday of Week 8 of the block before the leave begins.
2. After 20 weeks of continuous study, a student is eligible to take a break of 10 weeks if:
 - a) Their overall attendance, as well as attendance for the current block, has been over 80%;
 - b) In taking leave, they remain on track to reach the level of English required for their further studies (eg Diploma or degree); and
 - c) UTS College considers the break is in the student's best interest.
3. Leave must be taken in a single ten week block.
4. Students who hold a foreign government scholarship may need written approval from their Embassy or Cultural Mission before UTS College finalises approval of the leave.
5. Students under the age of 18 need written approval from their parent(s) or legal guardian before UTS College approves the leave.
6. If a student plans to leave Australia during the leave, it is their responsibility to check that they have a multiple entry visa so that they can return to Australia to resume studies.
7. Student acknowledges and agrees for the Student Centre to issue a new offer and e-CoE with a revised commencement date for their academic program.
8. Students must be aware that deferring, suspending or cancelling their enrolment may impact the cost of their course and/or student visa.
