

Expression of Interest Form- Buddy

Peer mentors are students who have successfully completed your course and can help you to do the same! Would you like to meet one?

Benefits of having a peer mentor can include:

- Increased academic achievement
- Improved social skills
- Greater feeling of connection to school community
- Increased school attendance and motivation to continue study

What is involved?

You will meet with your mentor every week for two hours. You will be in a small group of 3-4 other students.

If you would like to have a peer mentor, please provide the following details:
