

**Cambridge
International**
AS and A Levels

There's a new
way to study
Cambridge
International AS
and A Levels in
2026.

UTS College is excited to partner with Cambridge International to offer a new way to UTS for Year 10 graduates!

Students not only gain globally recognised Cambridge AS and A Level qualifications, they also get the added benefit of:

- optional first-year university (diploma) STEM or business subjects
- UTS College Academic English built into the program
- Duke of Edinburgh's International Award
- leadership and career skills development.

All in one immersive university experience!

This is an opportunity like no other for younger students to accelerate to a global top 100* university and reach their potential even sooner.

*Ranked 88th in the world (QS World University Rankings 2025)

It's the first of its kind in Australia. And it starts January 2026.
