UTS College | UNIVERSITY OF TECHNOLOGY SYDNEY

UTS College – your way to UTS

Find out why UTS College is the best place to start your UTS journey

utscollege.edu.au

Why UTS College?

As the pathway to UTS, we work in collaboration with UTS to equip you with the skills, knowledge and confidence you need for university study.

- Guaranteed entry to UTS*.

- Most diplomas lead to second year of a UTS bachelor's degree**.

- Big in support. Small in class size.

- Fun and engaging way to learn with Learning.Connected.

- Part of UTS with the latest technology and facilities.

- FEE-HELP available.

If you answer 'Yes' to any of the following, let's talk.

Is UTS College the right choice for me?

- I missed out on getting into UTS directly
- I need extra academic support to get entry into university

Choose from diplomas and pathways in

Animation Production

Business

Communication

Design & Architecture

Engineering

Information Technology

Law

Science

*Based on successful completion of your diploma with the required Grade Point Average (GPA) for the program you choose at UTS.
 (Only successful completion of the Diploma of Science is required for articulation to most Science degrees).
**Entry to second year of your UTS undergraduate degree depends on the course you choose.

Your journey to UTS starts here

Get direct entry to UTS with a UTS College diploma

Our diplomas are designed in collaboration with UTS, so you will experience first year university from day one. They're also ideal if you don't meet the academic or English language requirements for entry into a UTS degree straight away.

Diplomas guarantee* entry to your UTS undergraduate. Many diplomas fast-track you to the second year of your UTS degree**. Choose from Diplomas in Animation Production, Business, Communication, Design & Architecture, Engineering, IT or Science.

Entry requirements for UTS College

Minimum HSC subject average^^ of:

- 75% = 8 month diploma
- 67% = 12 month diploma
- 63% = 16 month diploma

How is the HSC subject average calculated?

We look at your English mark (2 units) plus your top three board developed courses (total of 6 units). The average of these 8 units is your HSC subject average.

Don't have an HSC qualification?

Contact courses@utscollege.edu.au or 1800 896 994 to explore your other options for entry to UTS College.

Your path to UTS

| Your **Path** | High School | UTS College Diploma (8, 12 or 16 months) | UTS 1st or 2nd^ year Bachelor degree# |

^^HSC Subject average is based on English plus the best 6 units of board developed courses.
^The point where you enter the UTS degree will depend on your chosen major. Not all majors will take you into second year. Credit points apply to other majors.
#Based on successful completion of your diploma with the required Grade Point Average (GPA) for the program you choose at UTS. Please refer to our website for more information.

Study support whenever you need it

Your choice of tailored support, including:

- Study success sessions and workshops on how to manage your time and study load, assignment and exam preparation, and how to get the most out of your classes.

- Regular face-to-face and online support sessions and online resources for assignments and presentations

- 24 hours, 7 days a week online study support through Studiosity, with writing feedback for assignments and help from Study Specialists with any of your subjects

- Ongoing face-to-face and online academic support with dedicated Student Success Advisers to ensure you meet your program requirements and stay on track.

We keep our class sizes small, with no more than 20 students per face-to-face class, allowing for more tailored support.

A better way to learn

At UTS College, you'll get the best of both worlds with a mix of face-to-face classes on-campus, and guided, engaging and interactive online learning activities. This gives you more flexibility and time for your studies.

FEE-HELP

FEE-HELP is an Australian Government loan scheme. It assists eligible students in paying part or all of their tuition fees for courses undertaken with institutions approved as higher education providers under HESA. Australian citizens, holders of humanitarian permanent resident visas and some New Zealand citizens are eligible for FEE-HELP assistance.

Find out if you're eligible here:
