Welcome to UTS College

Young people are welcome at UTS College. They bring unique points of view, strengths and ideas which add value to our institution, and they deserve to feel safe and protected at all times.

If you're under 18 years, this Student Information Guide explains how UTS College works to ensure a safe and welcoming environment for you. We look forward to welcoming you to UTS College.

Applying for a student visa while under 18

If you're applying for a student visa and you're under 18 years of age, you must have adequate accommodation and welfare arrangements in place for the time you are in Australia under the age of 18.

Please see the Department of Home Affairs website for more details on applying as an [under 18 student](#).

How can a UTS College under-18 student satisfy this requirement?

You can choose from two options, depending on whether a **Confirmation of Appropriate Accommodation and Welfare (CAAW)** is required.

Option one (CAAW not required)

You can nominate a parent, legal custodian, or relative over 21 years of age as your student guardian. This person must have a visa to stay in Australia for the duration of your student visa or until you turn 18. UTS College does not provide a CAAW in this case.

What is the application process for an under-18 student who doesn't require a CAAW letter?

If you're an international student under 18 years of age, and you want to live with a parent, legal custodian, or relative over 21 years of age, please apply to the Department of Home Affairs for approval of your accommodation and welfare arrangement. UTS College will not issue a CAAW letter in this case.

For more information visit the [Department of Home Affairs](#).

Option Two (CAAW required)

You can arrange a CAAW from UTS College covering your enrolment period until your 18th birthday. UTS College will provide a CAAW by ensuring that you use the services of an approved caregiver and ensuring you live in a UTS College approved accommodation option.

The UTS College airport pickup service is compulsory for students requesting a CAAW letter. You must provide all your arrival details to UTS College 48 hours in advance to confirm this service.

A CAAW letter is only available to under-18 students on, or intending to apply for, a Subclass 500 Student Visa. UTS College will not accept welfare responsibility for under-18 students on any other visa type.

What is the application process for an under-18 student who requires a CAAW letter?
