

# Welcome to UTS College Cambridge International

Your journey  
starts here

# A warm welcome

You're about to join a community that will support you to do your best and feel confident in your studies. The Cambridge International program at UTS College is designed to help you grow your academic skills, develop independence and prepare for university success.

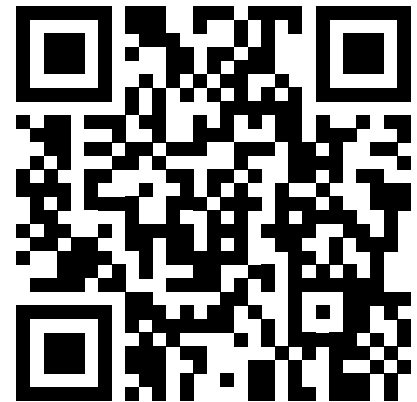

Watch  
the video

## A message from Justin Chu, your Principal

We look forward to meeting you on campus and helping you settle in. The program is designed to help you grow your academic skills, develop independence and prepare for university success.

# Your Cambridge International experience

Our Cambridge International AS and A Levels are recognised around the world.

At UTS College, you'll study in small classes with teachers who know how to support international students.

## You can expect:

- a hands-on learning experience
- clear subject pathways into university
- teachers who take the time to get to know you
- an environment that encourages curiosity, confidence and independence

# What happens at orientation

Your first week is all about navigating your program, finding your way around campus and feeling supported.

## During orientation you will:

- meet staff, teachers, support staff, student ambassadors and peer mentors
- set up systems and learn how they work
- tour the campus
- enrol in your subjects and receive your timetable

You'll also pick up your student welcome pack and meet other students in your program.

## Systems you'll use

### **New student hub**

Your hub to get ready for study: arriving in Sydney, systems set up, getting around campus and finding support.

### **Canvas**

Your online classroom where you'll find subject materials, assessments and announcements.

### **Email**

Your official UTS College email. Check it often so you don't miss anything important. You'll also learn how to connect to Wi-Fi, use printers and access the library.

# How your learning works

The Cambridge International program has a clear structure to help you build knowledge step by step.

## You'll learn through:

- class activities and tutorials
- independent study
- practical tasks
- coursework and exams

Your teachers will explain assessment types and how to prepare for success.

# The Duke of Edinburgh's International Award

The Duke of Edinburgh's International Award is part of your Cambridge International timetable at UTS College. It helps you build confidence, resilience and independence while discovering new strengths.

## What you will do

### Physical recreation

Choose a sport or activity that keeps you active.

### Skills

Learn something new or grow a personal interest.

### Service

Support the community through meaningful volunteer work.

### Adventurous journey

Join a supervised outdoor challenge that builds teamwork and problem solving.

### How it works

You will complete parts of the Award during class time. There are also extra activities before or after classes that count toward your Award. These include sports, workshops and community projects across Sydney.

# We're here for you

You're never on your own  
at UTS College.

## We offer:

- academic support
- wellbeing and counselling services
- peer mentoring
- accessibility services
- career guidance
- the Student Centre for general questions
- emergency and after-hours contacts

# Settle into life in Sydney

Sydney is one of the world's most welcoming and diverse cities.

## You'll find:

- great food and places to explore
- reliable public transport
- safe and convenient accommodation
- opportunities to meet people from around the world

Learn more about life in Sydney

# Meet your community

You'll be welcomed by our student ambassadors and peer mentors. They can show you around campus, answer questions and share tips for study and life in Sydney.

Once classes start, you can join clubs, attend events and enjoy our campus activities.

**Explore activities, clubs and societies**

# Keep these handy

**Inside your pack or digital starter kit you'll find:**

- orientation calendar
- academic handbook
- key contacts sheet
- campus map
- term dates
