Introducing our new name

Why UTS College?

Future students will have a clearer understanding of our connection to UTS.

83% of universities who have a dedicated pathway college use the term 'college'.

The naming convention for 7 of the GO8

NEW name
SAME commitment
to a global education

Our name may have changed but our commitment to providing students with the opportunity to study in more places around the world hasn't.

Did you know UTS College (previously known as UTS Insearch) offers our programs in six locations outside Australia including:

- China
- Indonesia
- Vietnam
- Sri Lanka
- South Korea
- Myanmar

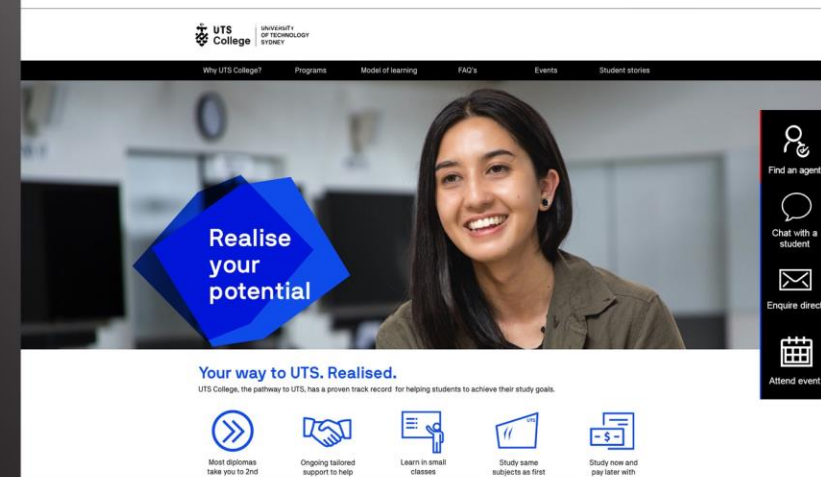

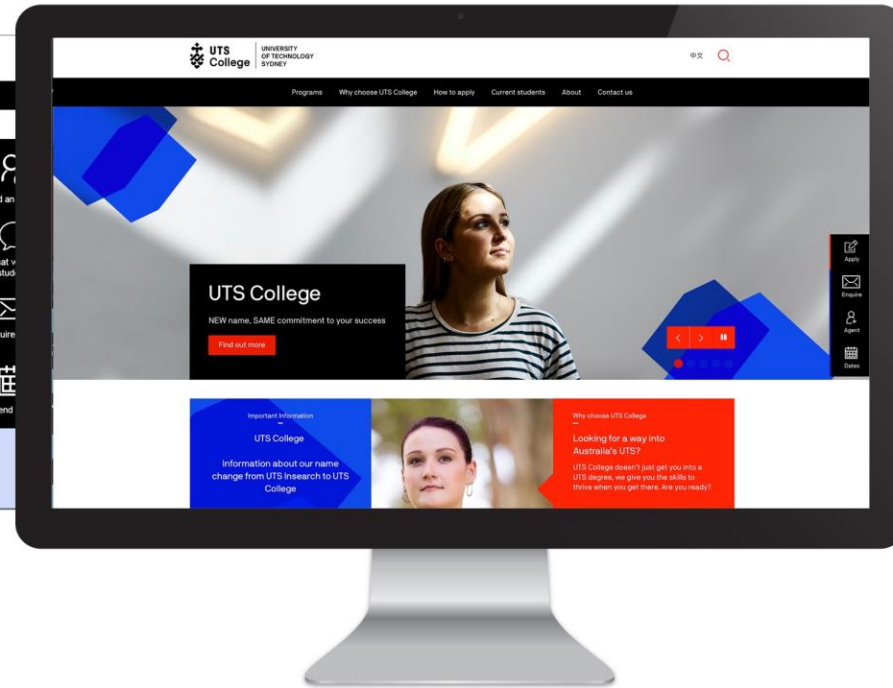

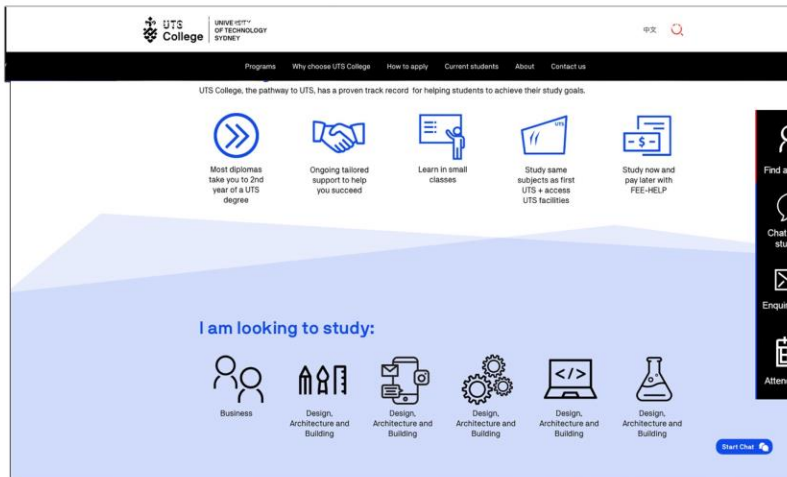

UTS College, same commitment
to your success.

UTS College - your way to UTS

Pre-Masters

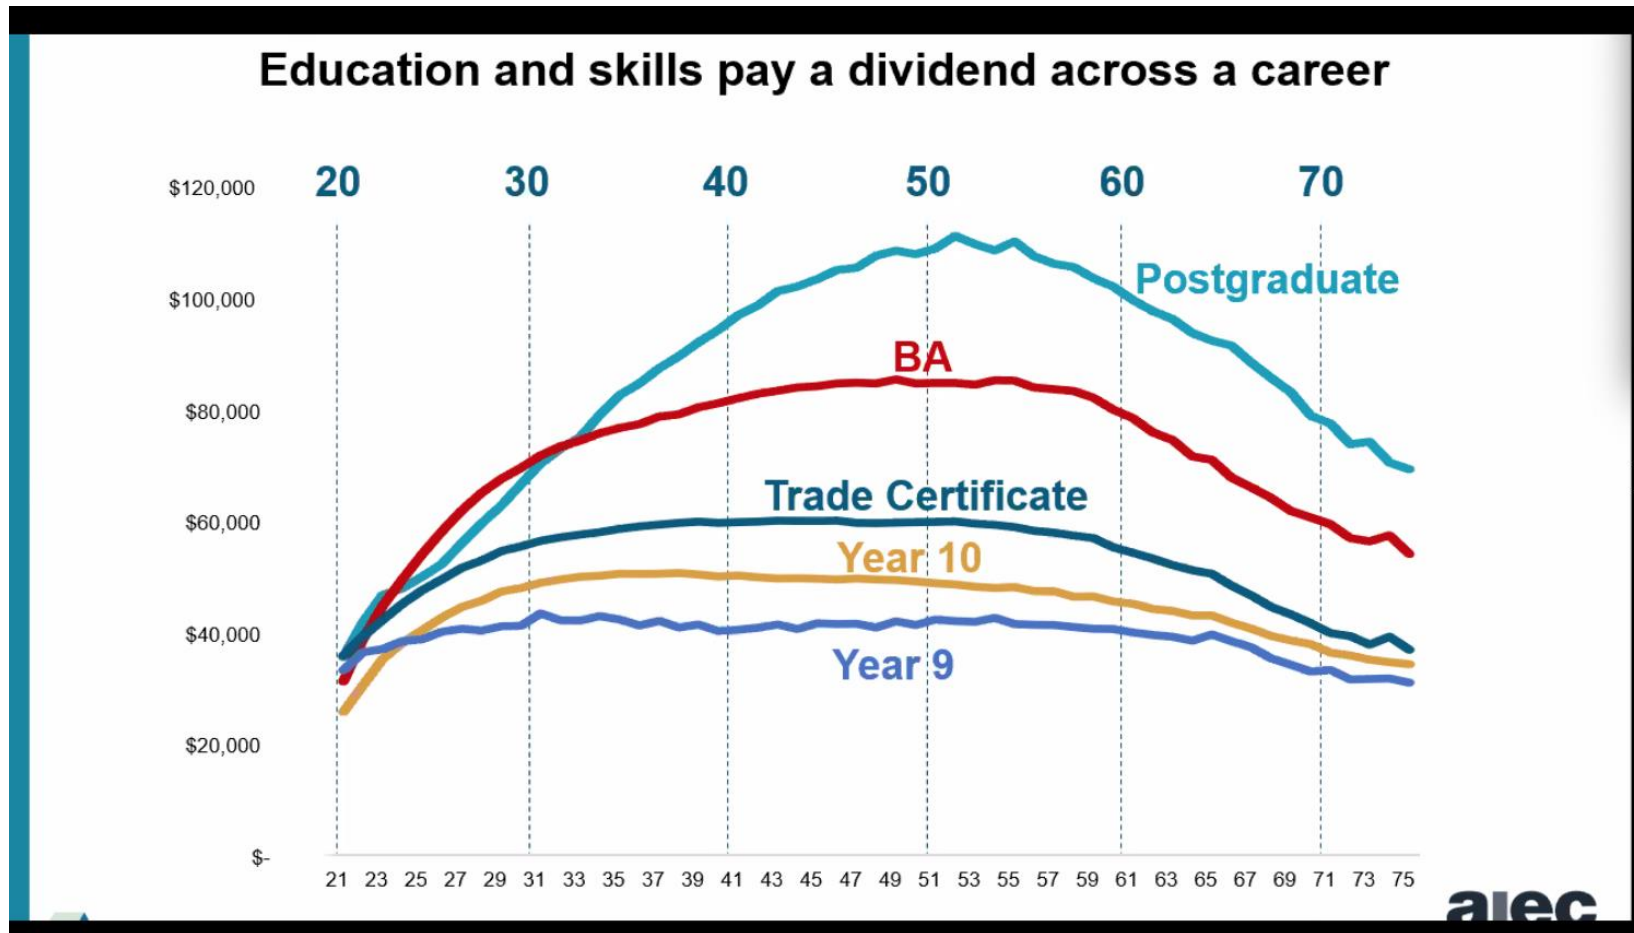

Introduction

- **New pathway for postgraduate market**
- **Aligned with the UTS 2027 'lifetime of learning' approach and UTS College diversification strategy**
- **Students improve career prospects with postgraduate education**

Post graduate career prospects

What is the difference?

	English requirements	Academic requirements
UTS Graduate Certificate, Graduate Diploma, Master's degrees (generally)	IELTS 6.5 with 6.0 in writing	UTS recognised bachelor's degree (AQF 7)
UTS College Pre-Master's Programs	IELTS 6.0 with 6.0 in writing	Associate Degree (AQF 6)

Who are we targeting

1. Quality students from around the world where their Bachelor degree is not recognised by Australia or
2. Students that have met academic entry for the Masters but lack the English requirement (6.5 IELTS) for entry to UTS

Pre-Masters overview

- **Guaranteed pathway with 24 credit points towards** selected Masters' degrees at UTS Faculties of Business, Engineering and IT, Arts and Social Sciences and Transdisciplinary Innovation
- **Program accredited as a Graduate Certificate, a recognised Australian qualification** (AQF level 8).
- **Designed to help develop language and academic skills** by offering Academic English subjects in those areas (English for Postgraduate Study 1 & 2) and further embedding those skills into the adapted UTS subjects.

Pre-Masters programs

- Graduate Certificate in Accounting and Finance
- Graduate Certificate in Communication
- Graduate Certificate in Technology Practice

Accelerated
Duration: 1 Semester
3/4 subjects (no English)

Standard
Duration: 2 Semesters
5/6 subjects (including English)

The student experience

EXPLORE AND ENGAGE

self-guided online content to learn in own time at own pace

PARTICIPATE

engaging activities in live classes with teacher and peer real-time feedback

CONNECT AND COLLABORATE

with peers in high-energy learning community

CELEBRATE

achievements with digital badges for further study and employability

ACCESS

live class academic support and Study Success Advisors support

Key selling points

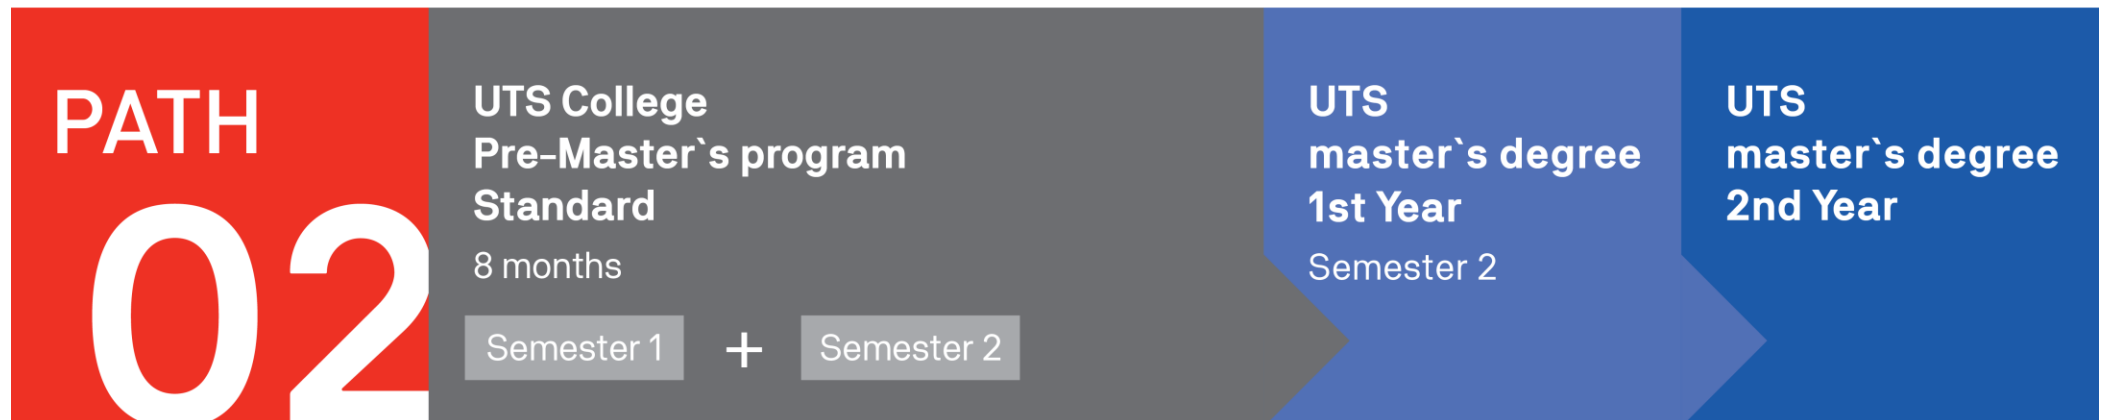

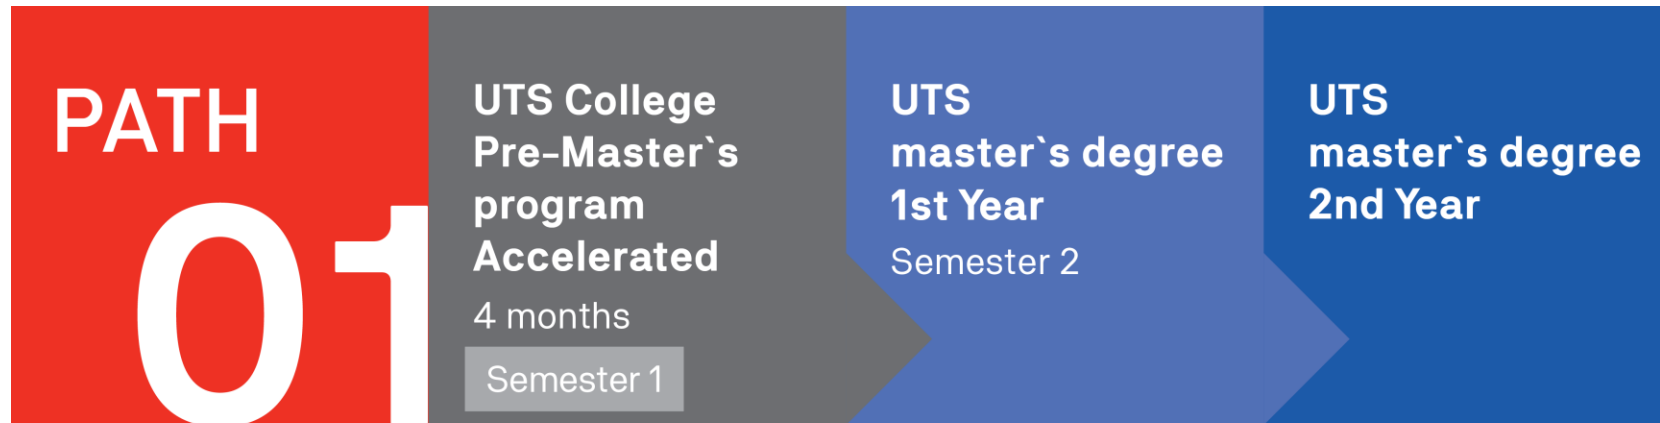

- **Guaranteed entry to UTS***
with 24 credit points towards your master's degree
- **Same subjects as 1st semester UTS master degree**
so you progress to UTS ready for success
- **Graduate with a recognised tertiary qualification**
on your way to a full master's degree at UTS
- **Engage with the UTS College model of learning**
where the learning experience is interactive and co-created with teachers and fellow students using leading technology (Canvas)
- **Benefit from built-in academic support every step of the way**
with support live in class and study success advisors
- **Celebrate achievements with accredited digital badges**
highlighting skills achieved to future employers or for further study

Other benefits

- + **Our program counts towards post study work rights**
as part of the 2-year Australian study requirement
- + **Enter our standard program with 6.0 IELTS**
and start your postgraduate study without the 6.5 IELTS required for UTS
- + **Start academic subjects and English in Semester 1**
for early development of your academic skills and English confidence
- + **Develop your academic, English language and soft skills**
in preparation for study at UTS and future career
- + **Scholarships available**
As part of the new scholarship program

UTS College Pre-Master's Program

If you are looking to take your next step in postgraduate studies, the Pre-Master's Program at UTS College will give you the confidence, knowledge and skills to succeed as you take career to the next level.

Successful students are guaranteed 24 credit points towards their UTS postgraduate degree. Courses currently available are:

- [Graduate Certificate in Accounting and Finance](#)
- [Graduate Certificate in Communication](#)
- [Graduate Certificate in Technology Practice](#)

Whichever pathway you choose, you'll develop the language and academic skills you need to reach your postgraduate goals in a nurturing, supportive atmosphere, with expert learning help built into the program.

As you progress, verifiable digital badges will mark your achievements in key skills such as language and literacy. These digital badges will allow UTS and future employers to verify the skills you've attained in more detail.

The program is built on a 'blended learning' model, which combines high quality remote classes with face-to-face learning when borders reopen. Remote classes are interactive, held in real-time, with engaging, applied learning experiences. This model lets you start your postgraduate journey right now, then transition to campus when practical. Why put your future on hold?

A Graduate Certificate from UTS College will introduce you to the UTS style of learning and teaching, so once at UTS you'll be ready to take full advantage of UTS's industry-driven approach and the range of entrepreneurial experiences and career support available at Australia's number one young university.

Developed in consultation with UTS Faculties, our Pre-Master Programs are designed for students who wish to extend their academic knowledge and broaden their career opportunities with further (post-graduate) study at UTS. International students can also benefit by advancing their English language skills for academic success.

You will find our teaching style is fresh, vibrant and collaborative, giving you plenty of opportunities to develop academically and grow your professional network. The program is taught over one or two semesters. Each semester you will develop your English language and academic skills in parallel with credit bearing university subjects taken from your chosen Master's degree subject area.

You will benefit from being part of our lively student community, which will in turn boost your confidence in preparation for entry to UTS. On successful completion of the program you will receive 24 credit points for and progress straight into the second semester of your desired Master's degree at UTS.

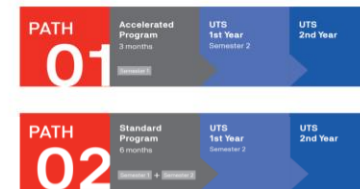

*Based on successful completion of your Graduate Certificate
