UTS Foundation Studies

Undergraduate pathways to UTS for international students

*Students will only be required to enter a UTS:College Academic English program if they do not meet the English language entry requirements

[^] The point where students enter into a UTS degree will depend on their major and is based on no more than two subject failures.

Not all majors will take them into second year. Please refer to individual course guides for full credit point details.

UTS Foundation Studies

- This course is only available to **international students**.
- Foundation Studies provides **direct entry into the first year** of most undergraduate degrees at UTS.
- Learning includes **role plays, discussions, debates, research, mini lectures, tutorials, group work, presentations and collaboration**.

Foundation to nursing

An articulation for bachelor of nursing from Foundation is no longer possible. We can issue a stand alone offer instead.
