# UTS Foundation Studies your preparation program

*"I learned how to write reports and do research, which prepared me for my studies at UTS. Also, UTS College is a lot smaller, more personalised so it's better for learning."*

**Andrea**  
UTS Foundation Studies,  
UTSC  
Bachelor of Engineering  
Honours (Mechanical), UTS

# What are the new Foundation changes?

There are **three** main changes to the UTS Foundation Studies program in 2023:

1. **Classes** will start in Welcome Week.
2. **Subjects** have changed, with new **electives** and revised **core** subjects.
3. **The program** will be taught with Learning.Connected.

# The benefits of the changes:

- students **are better prepared for UTS degrees** and College diplomas, in both academic discipline and English language capability.
- the program provides **more discipline-based** subject matter and learning.
- UTS Foundation Studies **is now taught with our learning model**, Learning.Connected, enabling a smooth transition for students into a diploma or degree.
