

# Transferring to UTS updates 2023

Kim Pham

Student Success Team Lead

# Essential Information Sessions

Each semester, there are Essential Information Sessions to provide student with all the information student needs to apply for intended course of study. This includes entry requirements, course structure, application process and future careers.

These on-demand resources are available to access from the UTS College's website

<https://utscollege.edu.au/au/current-students/opportunities/articulation-to-uts>

# Essential Information Session timelines

- The Q&A sessions for students are organised by UTSC Program Managers, instead of UTS Faculties
- SSAs are available at these sessions for their programs
- All students are required to watch the essential information video and the video for their course prior to attending the Q&A sessions. [Essential Information Sessions and Faculty Information Sessions on-demand videos.](#)
